אל: שמעון פרס
ד"ר יוסי ביילין

מאת: ד"ר יאיר הירשפלד וד"ר רון פונדק

הנדון: פגישה עם פייצל חוסייני וסרי נוסייבה

1. נפגשנו היום 6 ספטמבר עם פייצל חוסייני וסרי נוסייבה במשרדם במזרח ירושלים.
2. חוסייני מבקש לתאם עמנו את המהלכים האמורים להתרחש בימים הקרובים עד החתימה על מסמך העקרונות בוושינגטון.
3. במסגרת זאת ביקש להעביר דרכנו את המסרים הבאים:
א. הוא חושש מאד מהמשמעות שתהיה לחזרת מגורשי החמאס בימים הקרובים על דעת הקהל הפלסטינית. לדעתו, אם לא יעשו צעדים מקדימים משותפים, תהפוך חגיגת החמאס לכבוד המגורשים לצעד ראשון שיביא את עזה לשטח בשליטה מוחלטת של החמאס.
לפיכך מבקש חוסייני שישראל תקבל החלטה מיידית להחזיר במקביל מספר גבוה יותר של מגורשים מאנשי אש"ף אשר יחזקו את התמיכה בהסכם שהושג בין הפלסטינים לישראל. חוסייני הדגיש שהמעקשים שהמוחזרים יהיו גם מבין אלה שגורשו לאחר 1987.
חוסייני הבהיר שבידי ישראל מצויה רשימת מגורשים אותם הוא מציע להחזיר, אולם הוא מוכן לספק מייד רשימה נוספת. לדבריו הם מעונינים שבין המוחזרים תכלל קבוצה של בין 60-100 מגורשים ידועים אשר ישמשו כמנהיגים בשטחים ויפעלו יחד עם ההנהגה הקיימת לשכנע את הציבור לתמוך בהצהרת העקרונות עם ישראל.
ב. בקשה שניה במסגרת בנית האמון ההדדי והגברת התמיכה בהסכם, קשורה לאסירים ולעצירים הפלסטינים. חוסייני מבקש שישראל תשחרר קבוצה משמעותית מביניהם בכדי להוכיח לציבור הפלסטיני שאכן הגיע עידן חדש. חוסייני ביקש להדגיש שאין כוונתו לשיחרור אסירים שעומדים להשתחרר בלאו הכי, אלא לכאלה שריצו כבר שנים רבות. לדברי חוסייני לצעד כזה תהיה השפעה מרחיקת לכת על הציבור הפלסטיני בשטחים. לדבריו זה יתן גם תקווה לאילו שיוותרו בכלא, ובמסגרת זאת הוא אף מציע להקל את תנאיהם של אילו שיוותרו בכלא.

ג. הנושא השלישי אותו ביקש חוסייני שינוי במדיניות ישראל קשור לירושלים. הוא מבקש שינוי בהוראות שינתנו לחיילים בהקשר לבידודה של ירושלים מהגדה המערבית. ההוראות החדשות צריכות להקל על כניסה ויציאה של מרבית התושבים הזקוקים לשירותים של העיר.
ד. בקשתו הרביעית של חוסייני קשורה לכ-1200 סטודנטים פלסטינים השוהים בחו"ל ואשרת היציאה שלהם פגה. כתוצאה מכך אין ישראל מאפשרת להם לחזור לשטחים. חוסייני מבקש לאפשר להם לשוב.
ה. חוסייני מסר שניתנה עתה הוראה לשטח שלא לבצע פעילות אלימה נגד ישראלים. הוא הדגיש שההנהגה תשלוט במשוחררים והללו יהפכו לכוח ממתן בשטח ולא רק שלא יחזרו לטרור אלא יסייעו לבלימתו.
הוא ביקש לבדוק האם יש לישראל מדיניות חדשה בנוגע למבוקשים, והוסיף בקשה שישראל תחדול עתה משיגור יחידות מיוחדות לחיסול המבוקשים.

4. סיכום
נראה לנו שחשוב ביותר לעמוד בקשר הדוק ואינטנסיבי עם חוסייני במשך הימים הקרובים, ולדון איתו באופן שוטף על הבעיות אשר הועלו על ידו.

נספח 7

1. The PLO RECOGNIZES ISRAEL RIGHT TO EXIST IN PEACE AND SECURITY.

2. The PLO is COMMITTED TO THE MIDDLE EAST PEACE PROCESS AND TO A PEACE-FUL RESOLUTION OF THE CONFLICT BETWEEN THE PALESTINIAN POEPLE AND THE STATE OF ISRAEL, BASED ON SEURITY COUNCIL RESOLUTION ב"ד, 338.

Abu "The Treaty for in the PLO, the role by the state representative of the Palestinian people reiterate their commitment to the peace process and decide to achieve just, lasting and comprehensive peace for the interest of their people and the people of the region and to create the suitable atmosphere for a mutual recognition, real coexistence, economic and security cooperation.

Accordingly, both parties agreed to the following:

1) The two sides agree and support the rights of all people of the region, including the Israeli people and the Palestinian people to live in peace, security and stability within a safe and recognized borders.

2) The two sides agree that the current peace process is the historical opportunity to achieve the agreed political settlement and peace on the basis of SC Res 242 and 338 in all its aspects and provisions. They agree furthermore that the transitional period is a period for a just, lasting and comprehensive peace between the two side for regulating and normalizing their relations toward a mutual recognition, recognized borders, peaceful coexistence and cooperation.

3) The two sides agree that the symbol of force and Terrorism and the return of the PLO, the leaders, cadres and security forces and the operation of the Declaration of Principles represent a historical opportunity to put an end to the refrain from all kinds of hostility, violent act, and terrorism. They will be committed strictly to

4. The two sides agree to develop our cooperation relations in different fields and that they will plan for their future relations on a clear basis of cooperation and good understanding. Both sides will support the establishment of a Marshall-Plan to the Region, including consideration of the needs of West Berlin and the frontiers.

5. Both sides declare and agree in light of the fundamental change of circumstances that any article of their agreement incompatible with the DOI treaty becomes null and void.

6. The two sides agree to solve all remaining issues and any other issues by negotiations on the basis of the legal texts of these issues and the positive and constructive spirit of this agreement and the DOI and its annexes.

7.

Syntax - Sie haben zu erwarten mistakes for ein sein,

Plan a noun = Marshall-Plan - wrong for the text.
Marshall, Marshall - this is the medium.

Text: We still have to read a lot text. Which the DOI we had a common draft - On the document we don't have a common agreement. It is still pleasure. Under this do the treaty work.

Use: Abbreviation: No misleading → Act had to recognize - We are talking about material statement. We a contradiction to the strength of the DOI - We have to compete the light.
One-time key is not characteristic → break the glass and get it → the words the glass broken

Yael: Last part: Yossi thought ... reaction to next
week

Ellen: It is clear to Peter what we almost it.

Yael: What is your point. PKO has only error-free.
There are two different types of activity the PKO
is engaged in: One is: PKO actually has released
to fire; the other type is related to the engagement
agreement on fire. Do you see it

Ellen: I don't the threat will be how of the land.
It is clear one recognition of - Select. State.
It will not

Yael: conceptually → do you see the PKO as not
being the peacemaint

Ellen: I have not asked myself this question.
I don't know.

—

Ellen: Suppose the PKO-
PNC will move to fire → Appears
we are ready about the recognition of the PKO
not to Select State.
If the PKO will be in fire - the boundary of

the PKO = 50 Peace -

Hosea: Left the

Yael: One. At Peace: two hour peace
one - Two; one - fire.

Yael: We can have meetings.
VM: A potential of the 7 Parts. By today this week.

Alex: Unconscious & hospitals → they may collapse.

VM: Will you start notifying

Alex: ① Immediate Meeting with you proposed
② Pen - Alex Alex
③ Feb - August Meeting

Allen: I share this - it should be kept secret.

Peel:

Allen: 7 Part:

The PLO recognises the right of Israel to live within secure & recognised borders and commits itself to the use of peaceful means to settle the conflict between the Palestinian people and Israel.

If (the) PLO considers that all permanent status issues will be solved through negotiations and that the signing of the DoP will pave the way for a new era of peaceful coexistence, free

Yael: [illegible] Why not go to it.

Ale: It is not a decision - it is a people movement
In fact we are unable to stop. We want to tell
to say something that will put us in direct confrontation.
But as we see there will be change -
the people will see the hope. It
We say we want, that would

Yael: We see this as a part of.
We are in a strategic way.
We cannot get frustrated in this
problem

Ale: We must end the interfaith by a statement - It is
not a threat - it is a difficult choice.

Yael: Even almost calling upon the Palestinians
to put [illegible] to the interfaith.

Ale: I am against the word "stop".
Stop interfaith - plan for happy people, healthy etc.
" come through a chain of arrangements.

Hanna - Do you see principles in schools

Yael: Both; we entered you have seen [illegible]
treat. We treat you - we have no right that you
entered so. In order to that we have
political imperative to have a declaration - to
break the ice - We need you to help us
to tell our troubles.

Able: We want to end this.
You know the ICO very well. There
is [illegible] of the ICO.
If the ICO will make sure that it will be
weakened. If I go to the Hague - I get no
credit.
It's difficult for the ICO to carry.

Yael: Can you say roughly: the ICO before the summer
of the intifada - is no longer

Able: any acts of violence - Perhaps a new paragraph -
to create

Yael: level of provocation

Abe: Berger. We are in a new stage on people
needs to take care in all
Reconstruction, economy & cooperation.

C

Yael:
Able: Contain the intifada -
It's not in our power to speak about the intifada.

Hosni: Our people must live with two children -
one in peace

Yael: Give us a analogy - three states they declare a
one life. They stop it - the republic
Two wars are.

Other: the last step - from Jericho - Gaza

Yael: Renewing terrorism - the law of many -> ...
...ready absent evidence.
...this is normally not new.

Ali: "The Israeli [illegible] in the PLO, the sole legitimate representative of the Palestinian people reiterate their commitment to the peace process and desire to achieve just, lasting and comprehensive peace for the interest of their people and the people of the region and to create the suitable atmosphere for a mutual recognition, real coexistence, economic and security cooperation.

Accordingly, both parties agree to the following:

1) The two sides agree and support the rights of all people of the region, including the Israeli people and the Palestinian people to live in peace, security and stability within a safe and recognized borders.

2) The two sides agree that the current peace process is the historical opportunity to achieve the agreed political settlement and peace on the basis of SC Res. 242 and 338 in all its aspects and provisions. They agree furthermore that the transitional period is a period for a phased, gradual measures between the two sides for regulating and normalizing their relations towards a mutual recognition, recognized borders, peaceful coexistence and cooperation.

3) The two sides agree that the symbol of force and terrorism in the return of the PLO, its leaders and armed and security forces and the operation of the Declaration of Principles represent a historical opportunity to put an end to the region from all kinds of hostility, violent acts, and terrorism. They will be committed strictly to

Draft of August 14, 1993

DECLARATION OF PRINCIPLES ON
INTERIM SELF-GOVERNMENT ARRANGEMENTS

The Government of the State of Israel and the Palestinian team (in the Jordanian-Palestinian delegation to the Middle East Peace Conference) (the "Palestinian Delegation"), representing the Palestinian people, agree that it is time to put an end to decades of confrontation and conflict, recognize their mutual legitimate and political rights, and strive to live in peaceful coexistence and mutual dignity and security and achieve a just, lasting and comprehensive peace settlement and historic reconciliation through the agreed political process.
Accordingly, the two sides agree to the following principles:

Article I

AIM OF THE NEGOTIATIONS

The aim of the Israeli-Palestinian negotiations within the current Middle East peace process is, among other things, to establish a Palestinian Interim Self-Government Authority, the elected Council, ("the Council") for the Palestinian people in the West Bank and the Gaza Strip, for a transitional period of five years, leading to a permanent settlement based on Security Council Resolutions 242 and 338.

It is understood that the interim arrangements are an integral part of the whole peace process and that the

negotiations on the permanent status will lead to the implementation of Security Council Resolutions 242 and 338, ((I: as agreed by the parties in the permanent status agreement.))

Article II

FRAMEWORK FOR THE INTERIM PERIOD

The agreed framework for the interim period is set forth in this Declaration of Principles.

Article III

ELECTIONS

1. In order that the Palestinian people in the West Bank and Gaza Strip may govern themselves according to democratic principles, direct, free and general political elections will be held for the Council under agreed supervision and international observation, while the Palestinian police will ensure public order.
2. An agreement will be concluded on the exact mode and conditions of the elections in accordance with the protocol attached as Annex I, with the goal of holding the elections not later than nine months after the entry into force of this Declaration of Principles.
3. These elections will constitute a significant interim preparatory step toward the realization of the legitimate rights of the Palestinian people and their just requirements.

Article IV

JURISDICTION

Jurisdiction of the Council will cover West Bank and Gaza Strip territory, except for issues that will be negotiated in the permanent status negotiations. The two sides view the West Bank and the Gaza Strip as a single territorial unit, whose integrity will be preseved during the interim period.

Article V

TRANSITIONAL PERIOD AND PERMANENT STATUS NEGOTIATIONS

1. The five-year transitional period will begin upon the withdrawal from the Gaza Strip and Jericho.
2. Permanent status negotiations will commence as soon as possible, but not later than the beginning of the third year of the interim period, between the Government of Israel and the Palestinian people representatives.
3. ((I: Each party may raise any issue in the negotiations on the permanent status.)) It is understood that these negotiations shall cover remaining issues, including: Jerusalem, refugees, settlements, security arrangements, borders, relations and cooperation with other neighbors, and any issue of common interest.
4. The two parties agree that the outcome of the permanent status negotiations should not be prejudiced or preempted by agreements reached for the interim period.

the Council. The Interim Agreement shall also specify the Council's executive authority, legislative authority in accordance with Article IX below, and the independent Palestinian judicial organs.

3. The Interim Agreement shall include arrangements, to be implemented upon the inauguration of the Council, for the assumption by the Council of all of the powers and responsibilities transferred previously in accordance with Article VI above.

4. In order to enable the Council to promote economic growth, upon its inauguration, the Council will establish, among other things, a Palestinian Electricity Authority, a Gaza Sea Port Authority, a Palestinian Development Bank, a Palestinian Export Promotion Board, a Palestinian Environmental Authority, a Palestinian Land Authority and a Palestinian Water Administration Authority, and any other Authorities agreed upon, in accordance with the Interim Agreement that will specify their powers and responsibilities.

5. After the inauguration of the Council, the Civil Administration will be dissolved, ~~((~~P: and the Israeli military government will be withdrawn.~~))~~

Article VIII

PUBLIC ORDER AND SECURITY

In order to guarantee public order and internal security for the Palestinians of the West Bank and the Gaza Strip, the Council will establish a strong police force, while Israel will continue

to carry the responsibility for defending against external threats, ~~((~~I: as well as the responsiblity for overall security of the Israelis for the purpose of safeguarding their internal security and public order.~~))~~ ((P: ~~as well as for public order and internal security of Israelis.~~))

Article IX

LAWS AND MILITARY ORDERS

1. The Council will be empowered to legislate, in accordance with the Interim Agreement, within all authorities transferred to it.
2. Both parties will review jointly laws and military orders presently in force in remaining spheres.

Article X

JOINT ISRAELI-PALESTINIAN LIAISON COMMITTEE

In order to provide for a smooth implementation of this Declaration of Principles and any subsequent agreements pertaining to the interim period, upon the entry into force of this Declaration of Principles, a Joint Israeli-Palestinian Liaison Committee will be established in order to deal with issues requiring coordination, other issues of common interest and disputes.

Article XI

ISRAELI-PALESTINIAN COOPERATION IN ECONOMIC FIELDS

Recognizing the mutual benefit of cooperation in promoting the development of the West Bank, the Gaza Strip and Israel upon the

ANNEX II

THE GAZA STRIP AND THE JERICHO AREA

1. It is agreed that the goal of both parties is to conclude within three months from the entry into force of this Declaration of Principles, an agreement, that will become effective immediately within a period not exceeding 30 days from the date of its signature, and that will include comprehensive arrangements to apply in the Gaza Strip and Jericho area (to be agreed upon), subsequent to the Israeli withdrawal.

2. The above agreement will cover among other things:

   a. The timing of the Israeli withdrawal;

   b. The scope and nature of the Palestinian authority, that will cover all authorities, except those that will be excluded in the agreement.

   c. Arrangements for the establishment of a police force, consisting of police officers recruited locally and a number of Jordanian nationals recruited abroad and trained as police officers.

   d. Arrangements for the assumption by the Palestinian

police of larger responsibility for internal security and public order.

e. A temporary international or foreign presence to be agreed upon.

f. Arrangements for the safe passage of VIP's between the Gaza Strip and Jericho.

g. An economic, development, and stabilization program, including the joint seeking for foreign investment and economic support.

h. Other issues of common interest.

3. Other then these agreed arrangements, the status of the Gaza Strip and Jericho will continue to be an integral part of the West Bank and Gaza Strip, and will not be changed during the interim period.

AGREED MINUTES TO THE

DECLARATION OF PRINCIPLES ON

INTERIM SELF-GOVERNMENT ARRANGEMENTS

A. GENERAL UNDERSTANDINGS AND AGREEMENTS

((I: 1. In each paragraph of the Declaration of Principles in which the expression "West Bank and Gaza Strip" appears, it is understood as the areas currently subject to Israeli military government.))

2. Any powers and responsibilities transferred to Palestinians pursuant to the Declaration of Principles prior to the inauguration of the Council will be subject to the same principles pertaining to Article IV, as set out in these Agreed Minutes below.

B. SPECIFIC UNDERSTANDINGS AND AGREEMENTS

Article IV

It is understood that:

1. Jurisdiction of the Council will cover West Bank and Gaza Strip territory, except for issues that will be negotiated in the permanent status negotiations: Jerusalem, settlements, military locations, and Israelis.

2. The Council's jurisdiction will apply with regard to the agreed powers, responsibilities, spheres and authorities transferred to it.

Article VI(2)

It is agreed that the transfer of authority will be as follows:

(1) The Palestinian side will inform the Israeli side of the names of Palestinians who will assume the powers, authorities and responsibilities that will be transfered to the Palestinians according to the Declaration of Principles in the following fields: education and culture, health, social welfare, direct taxation and tourism and any other authorities agreed upon.

(2) It is understood that the rights and obligations of these offices will not be affected.

(3) Each of the spheres described above will continue to enjoy existing budgetary allocations in accordance with arrangements to be mutually agreed upon. These arrangements also will provide for the necessary adjustments required in order to take into account the taxes collected by the direct taxation office.

(4) Upon the execution of the Declaration of Principles, the Israeli and Palestinian delegations will immediately commence negotiations on a detailed plan for the transfer of authority on the above offices in accordance with the above understandings.

Article VII

The Interim Agreement will also include arrangements for coordination and cooperation.

Article VIII

It is understood that the Interim Agreement will include arrangements for cooperation and coordination between the two parties in this regard. It is also agreed that the transfer of powers and responsibilities to the Palestinian police will be accomplished in a phased manner, as agreed in the Interim Agreement.

Article X

It is agreed that, upon the entry into force of the Declaration of Principles, the Israeli and Palestinian delegations will exchange the names of the individuals designated by them as members of the Joint Israeli-Palestinian Liaison Committee.

It is further agreed that each side will have an equal number of members in the Joint Committee. The Joint Committee will reach decisions by agreement. The joint committee may add other technicians and experts, as necessary. The Joint Committee will decide on the frequency and place or places of its meetings.

ANNEX II

It is understood that subsequent to the Israeli withdrawal,

Draft of August 14, 1993

DECLARATION OF PRINCIPLES ON INTERIM SELF-GOVERNMENT ARRANGEMENTS

The Government of the State of Israel and the Palestinian team (in the Jordanian-Palestinian delegation to the Middle East Peace Conference) (the "Palestinian Delegation"), representing the Palestinian people, agree that it is time to put an end to decades of confrontation and conflict, recognize their mutual legitimate and political rights, and strive to live in peaceful coexistence and mutual dignity and security and achieve a just, lasting and comprehensive peace settlement and historic reconciliation through the agreed political process.

Accordingly, the two sides agree to the following principles:

Article I

AIM OF THE NEGOTIATIONS

The aim of the Israeli-Palestinian negotiations within the current Middle East peace process is, among other things, to establish a Palestinian Interim Self-Government Authority, the elected Council, ("the Council") for the Palestinian people in the West Bank and the Gaza Strip, for a transitional period of five years, leading to a permanent settlement based on Security Council Resolutions 242 and 338.

It is understood that the interim arrangements are an integral part of the whole peace process and that the

negotiations on the permanent status will lead to the implementation of Security Council Resolutions 242 and 338, ((I: as agreed by the parties in the permanent status agreement.))

Article II

FRAMEWORK FOR THE INTERIM PERIOD

The agreed framework for the interim period is set forth in this Declaration of Principles.

Article III

ELECTIONS

1. In order that the Palestinian people in the West Bank and Gaza Strip may govern themselves according to democratic principles, direct, free and general political elections will be held for the Council under agreed supervision and international observation, while the Palestinian police will ensure public order.
2. An agreement will be concluded on the exact mode and conditions of the elections in accordance with the protocol attached as Annex I, with the goal of holding the elections not later than nine months after the entry into force of this Declaration of Principles.
3. These elections will constitute a significant interim preparatory step toward the realization of the legitimate rights of the Palestinian people and their just requirements.

Article IV

JURISDICTION

Jurisdiction of the Council will cover West Bank and Gaza Strip territory, except for issues that will be negotiated in the permanent status negotiations. The two sides view the West Bank and the Gaza Strip as a single territorial unit, whose integrity will be preseved during the interim period.

Article V

TRANSITIONAL PERIOD AND PERMANENT STATUS NEGOTIATIONS

1. The five-year transitional period will begin upon the withdrawal from the Gaza Strip and Jericho.
2. Permanent status negotiations will commence as soon as possible, but not later than the beginning of the third year of the interim period, between the Government of Israel and the Palestinian people representatives.
3. ((I: Each party may raise any issue in the negotiations on the permanent status.)) It is understood that these negotiations shall cover remaining issues, including: Jerusalem, refugees, settlements, security arrangements, borders, relations and cooperation with other neighbors, and any issue of common interest.
4. The two parties agree that the outcome of the permanent status negotiations should not be prejudiced or preempted by agreements reached for the interim period.

the Council. The Interim Agreement shall also specify the Council's executive authority, legislative authority in accordance with Article IX below, and the independent Palestinian judicial organs.

3. The Interim Agreement shall include arrangements, to be implemented upon the inauguration of the Council, for the assumption by the Council of all of the powers and responsibilities transferred previously in accordance with Article VI above.

4. In order to enable the Council to promote economic growth, upon its inauguration, the Council will establish, among other things, a Palestinian Electricity Authority, a Gaza Sea Port Authority, a Palestinian Development Bank, a Palestinian Export Promotion Board, a Palestinian Environmental Authority, a Palestinian Land Authority and a Palestinian Water Administration Authority, and any other Authorities agreed upon, in accordance with the Interim Agreement that will specify their powers and responsibilities.

5. After the inauguration of the Council, the Civil Administration will be dissolved, ~~((~~P: and the Israeli military government will be withdrawn.~~))~~

Article VIII

PUBLIC ORDER AND SECURITY

In order to guarantee public order and internal security for the Palestinians of the West Bank and the Gaza Strip, the Council will establish a strong police force, while Israel will continue

to carry the responsibility for defending against external threats, ((I: as well as the responsiblity for overall security of the Israelis for the purpose of safeguarding their internal security and public order.)) ((P: as well as for public order and internal security of Israelis.))

Article IX

LAWS AND MILITARY ORDERS

1. The Council will be empowered to legislate, in accordance with the Interim Agreement, within all authorities transferred to it.
2. Both parties will review jointly laws and military orders presently in force in remaining spheres.

Article X

JOINT ISRAELI-PALESTINIAN LIAISON COMMITTEE

In order to provide for a smooth implementation of this Declaration of Principles and any subsequent agreements pertaining to the interim period, upon the entry into force of this Declaration of Principles, a Joint Israeli-Palestinian Liaison Committee will be established in order to deal with issues requiring coordination, other issues of common interest and disputes.

Article XI

ANNEX II

THE GAZA STRIP AND THE JERICHO AREA

1. It is agreed that the goal of both parties is to conclude within three months from the entry into force of this Declaration of Principles, an agreement, that will become effective immediately within a period not exceeding 30 days from the date of its signature, and that will include comprehensive arrangements to apply in the Gaza Strip and Jericho area (to be agreed upon), subsequent to the Israeli withdrawal.

2. The above agreement will cover among other things:

   a. The timing of the Israeli withdrawal;

   b. The scope and nature of the Palestinian authority, that will cover all authorities, except those that will be excluded in the agreement.

   c. Arrangements for the establishment of a police force, consisting of police officers recruited locally and a number of Jordanian nationals recruited abroad and trained as police officers.

   d. Arrangements for the assumption by the Palestinian

police of larger responsibility for internal security and public order.

e. A temporary international or foreign presence to be agreed upon.

f. Arrangements for the safe passage of VIP's between the Gaza Strip and Jericho.

g. An economic, development, and stabilization program, including the joint seeking for foreign investment and economic support.

h. Other issues of common interest.

3. Other then these agreed arrangements, the status of the Gaza Strip and Jericho will continue to be an integral part of the West Bank and Gaza Strip, and will not be changed during the interim period.

AGREED MINUTES TO THE

DECLARATION OF PRINCIPLES ON

INTERIM SELF-GOVERNMENT ARRANGEMENTS

A. GENERAL UNDERSTANDINGS AND AGREEMENTS

((I: 1. In each paragraph of the Declaration of Principles in which the expression "West Bank and Gaza Strip" appears, it is understood as the areas currently subject to Israeli military government.))

2. Any powers and responsibilities transferred to Palestinians pursuant to the Declaration of Principles prior to the inauguration of the Council will be subject to the same principles pertaining to Article IV, as set out in these Agreed Minutes below.

B. SPECIFIC UNDERSTANDINGS AND AGREEMENTS

Article IV

It is understood that:

1. Jurisdiction of the Council will cover West Bank and Gaza Strip territory, except for issues that will be negotiated in the permanent status negotiations: Jerusalem, settlements, military locations, and Israelis.

2. The Council's jurisdiction will apply with regard to the agreed powers, responsibilities, spheres and authorities transferred to it.

Article VI(2)

It is agreed that the transfer of authority will be as follows:

(1) The Palestinian side will inform the Israeli side of the names of Palestinians who will assume the powers, authorities and responsibilities that will be transfered to the Palestinians according to the Declaration of Principles in the following fields: education and culture, health, social welfare, direct taxation and tourism and any other authorities agreed upon.

(2) It is understood that the rights and obligations of these offices will not be affected.

(3) Each of the spheres described above will continue to enjoy existing budgetary allocations in accordance with arrangements to be mutually agreed upon. These arrangements also will provide for the necessary adjustments required in order to take into account the taxes collected by the direct taxation office.

(4) Upon the execution of the Declaration of Principles, the Israeli and Palestinian delegations will immediately commence negotiations on a detailed plan for the transfer of authority on the above offices in accordance with the above understandings.

Article VII

The Interim Agreement will also include arrangements for coordination and cooperation.

Article VIII

It is understood that the Interim Agreement will include arrangements for cooperation and coordination between the two parties in this regard. It is also agreed that the transfer of powers and responsibilities to the Palestinian police will be accomplished in a phased manner, as agreed in the Interim Agreement.

Article X

It is agreed that, upon the entry into force of the Declaration of Principles, the Israeli and Palestinian delegations will exchange the names of the individuals designated by them as members of the Joint Israeli-Palestinian Liaison Committee.

It is further agreed that each side will have an equal number of members in the Joint Committee. The Joint Committee will reach decisions by agreement. The joint committee may add other technicians and experts, as necessary. The Joint Committee will decide on the frequency and place or places of its meetings.

ANNEX II

It is understood that subsequent to the Israeli withdrawal,

Unofficial Draft of August 7, 1993
the final Palestinian proposal

DECLARATION OF PRINCIPLES ON INTERIM SELF-GOVERNMENT ARRANGEMENTS

The Government of the State of Israel and the Palestinian team (in the Jordanian-Palestinian delegation to the Middle East Peace Conference) (the "Palestinian Delegation"), representing the Palestinian people, agree that it is time to put an end to decades of confrontation and conflict, recognize their mutual legitimate and political rights, and strive to live in peaceful coexistence and mutual dignity and security and achieve a just, lasting and comprehensive peace settlement and historic reconciliation through the agreed political process.
Accordingly, the two sides agree to the following principles:

Article I

AIM OF THE NEGOTIATIONS

1. The aim of the Israeli-Palestinian negotiations within the current Middle East peace process is, among other things, to establish a Palestinian Interim self-government Authority, the elected Council, ("the Council") for the Palestinian people in the West Bank and the Gaza Strip, for a transitional period not exceeding five years, leading to a permanent settlement based on Security Council Resolutions 242 and 338.

It is understood that the interim arrangements are an integral part of the whole peace process and that the negotiations on the permanent status will lead to the implementation of Security Council Resolutions 242 and 338.

Article II

FRAMEWORK FOR THE INTERIM PERIOD

The agreed framework for the interim period is set forth in the Declaration of Principles.

Article III

1. In order that the Palestinian people in the West Bank and Gaza Strip may govern themselves according to democratic principles, direct, free and general political elections will be held for the Council under agreed supervision and international observation, while the Palestinian police will ensure public order.

2. An agreement will be concluded on the exact mode and conditions of the elections in accordance with the protocol attached as Annex I, with the goal of holding the elections not later than nine months after the entry into force of this Declaration of Principles.

3. These elections will constitute a significant interim preparatory step toward the realization of the legitimate rights of the Palestinian people and their just requirements.

Article IV

JURISDICTION

Jurisdiction of the Council will cover West Bank and Gaza Strip territory, except for issues that will be negotiated in the permanent status negotiations. The two sides view the West Bank and the Gaza Strip as a single territorial unit, whose integrity will be preserved during the interim period.

Article V

TRANSITIONAL PERIOD AND PERMANENT STATUS NEGOTIATIONS

1. The five-year transitional period will begin upon the withdrawal from the Gaza Strip and Jeriicho area.

2. Permanent status negotiations will commence as soon as possible, but not later than the beginning of the third year of the interim period, between the Government of Israel and the Palestinian people representatives.

3. It is understood that these negotiations shall cover remaining issues including Jerusalem, refugees, settlements, borders , relations and cooperation with other neighbors and any other issue of common interest.

4. The two parties agree that the outcome of the permanent status negotiations should not be prejudice or preempted by agreements reached for the interim period.

Article VI

PREPARATORY TRANSFER OF POWERS AND RESPONSIBILITIES

1. Upon the entry into force of this Declaration of Principles and the withdrawal from Gaza Strip and Jericho area, a transfer of authority from the Israeli military government and its Civil Administration to the authorized Palestinians for this task, as detailed herein, will commence. This transfer of authority will be of preparatory nature until the inauguration of the Council.

2. Immediately after the entry into force of this Declaration of Principles, and the withdrawal from Gaza Strip and Jericho area, authority will be transferred to the Palestinians on the following spheres: education and culture, health, social welfare, direct taxation, and tourism. The Palestinian side will commence in building the Palestinian Police force as agreed upon. Pending the inauguration of the Council, the two parties may negotiate the transfer of additional powers and responsibilities, as agreed upon.

Article VII

INTERIM AGREEMENT

1. The Israeli and Palestinian delegations will negotiate an agreement on the interim period ("the Interim Agreement").

2. The Interim Agreement shall specify, among other things , the structure of the Council, the number of its members, and the transfer of the powers and responsibilities from the Israeli military government and its Civil Administration to the Council. The Interim Agreement shall also specify the Council's executive authority, legislative authority in accordance with Article IX below, and the independent judicial organs.

3. The Interim-Agreement shall include arrangements, to be implemented upon the inauguration of the Council, for the assumption by the Council of all of the powers and responsibilities transferred previously in accordance with Article VI above.

4. In order to enable the Council to promote economic growth, upon its inauguration, the Council will establish, among other things, a Palestinian Electricity Authority, a Gaza Sea Port Authority, a Palestinian Development Bank, a Palestinian Export Promotion Board, a Palestinian Environmental Authority, a Palestinian Land Authority and a Palestinian Water Administration Authority, and any other Authorities agreed upon, in accordance with the Interim Agreement that will specify their powers and responsibilities.

5. After the inauguration of the Council, the Civil Administration will be dissolved, and the Israeli Military Government will be withdrawn.

Article VIII

PUBLIC ORDER AND SECURITY

In order to guarantee public order and internal security for the Palestinians of the West Bank and the Gaza Strip, the Council will establish a strong police force, while Israel will continue to carry the responsibility for defending against external threats, as well as for public order and internal security of Israelis.

Article IX

LAWS AND MILITARY ORDERS

1. The Council will be empowered to legislate, in accordance with the Interim Agreement, within all authorities transferred to it.

2. Both parties will review jointly laws and military orders presently in force in remaining spheres.

Article X

JOINT ISRAELI-PALESTINIAN LIAISON COMMITTEE

In order to provide for a smooth implementation of this Declaration of Principles and any subsequent agreements pertaining to the interim period, upon the entry into force of this Declaration of Principles, a Joint Israeli-Palestinian Liaison Committee will be established in order to deal with issues requiring coordination, other issues of common interest and disputes.

Article XI

ISRAELI-PALESTINIAN COOPERATION IN ECONOMIC FIELDS

Recognizing the mutual benefit of cooperation in promoting the development of the West Bank, the Gaza Strip and Israel upon the entry into force of this Declaration of Principles, an Israeli-Palestinian Development Committee will be established in order to develop and implement in a cooperative manner the programs identified in Annex III.

Article XII

LIAISON AND COOPERATION WITH JORDAN AND EGYPT

The two parties will invite the Governments of Jordan and Egypt to participate in establishing further liaison and cooperation arrangements between the Government of Israel and the Palestinian Authority, on one hand, and the Governments of Jordan and Egypt on the other hand.

These arrangements will constitute a continuing committee that will decide by agreement on the modalities of admission of persons displaced from the West Bank and Gaza in 1967, together with necessary measures to prevent disruption and disorder. Other matters of common concern will be dealt with by this committee.

Article XIII

RE DEPLOYMENT OF ISRAELI FORCES

1. After the entry into force of this Declaration of Principles, and not later than the eve of elections for the Council, a re deployment of Israeli military forces in the West Bank and the Gaza Strip will take place, in addition to withdrawal of Israeli forces carried out in accordance with Article XIV.

2. In re deploying its military forces, Israel will be guided by the principle that its military forces should be re deployed outside populated areas.

3. Further re deployments to specified locations will be gradually implemented commensurate with the assumption of responsibility for public order and internal security by the Palestinian police force pursuant to Article VIII above.

Article XIV

ISRAELI WITHDRAWAL FROM THE GAZA STRIP AND JERICHO AREA

Israel will withdraw from Gaza Strip and Jericho area as detailed in Annex II.

Article XV

RESOLUTION OF DISPUTES

1 Disputes arising out of the application or interpretation of this Declaration of Principles, or any subsequent agreements pertaining to the interim period, shall be resolved by negotiations through the Joint Liaison Committee to be established pursuant to Article X above.

2. Disputes which cannot be settled by negotiations may be resolved by a mechanism of conciliation to be agreed upon by the parties.

3. The parties may agree to submit to arbitration disputes relating to the interim period, which cannot be settled through conciliation. To this end, upon the agreement of both parties, the parties will establish an Arbitration Committee.

Article XVI

ISRAELI-PALESTINIAN COOPERATION CONCERNING REGIONAL PROGRAMS

Both parties view the multilateral working groups as an appropriate instrument for promoting a "Marshall Plan", the regional programs and other programs, including special programs for the West Bank and Gaza Strip, as indicated in Annex IV.

Article XVII

MISCELLANEOUS PROVISIONS

1. This Declaration of Principles will enter into force one month after its signing.

2. All protocols annexed to this Declaration of Principles and Agreed Minutes pertaining thereto shall be regarded as an integral part hereof.

Done at Washington, D.C., this.... day of 1993.

ANNEX II

GAZA STRIP AND JERICHO AREA

1. The two sides will conclude and sign within three months an agreement on Israeli withdrawal from the Gaza Strip and the Jericho area. This agreement will include comprehensive arrangements to apply in the Gaza Strip Strip and Jericho area, subsequent to the Israeli withdrawal.

2. Accordingly Israel will implement an accelerated and scheduled withdrawal from the Gaza Strip and the Jericho area, within a period not exceeding three months from the date of the signing of the agreement on Gaza Strip and Jericho area.

3. The above agreement will include among other things:

a. Arrangements for a smooth and peaceful transfer of authority from the Israeli military government and its civil administration to the Palestinian representatives.

b. Responsibilities and powers of the Palestinian Authority in these areas, except: External security, settlements, Israelis and foreign relations.

c. Arrangements for the assumption of internal security and public order by the Palestinian Police force,consisting of police officers recruited locally and from abroad (holding Jordanian passports and Palestinian documents issued by Egypt). Those who will participate in the Palestinian Police force coming from abroad should be trained as police and police officers.

d. A temporary international or foreign presence as agreed upon.

e. Establishment of a joint Palestinian -Israeli Coordination and Cooperation Committee for mutual security purposes.

f. An economic development and stabilization program, provided with the establishment of an Emergency Fund to encourage foreign investments, financial and economic support. Both sides will coordinate and cooperate jointly and unilaterally with regional and international parties to support these aims.

g. Arrangements for a safe passage, for persons and transportation between Gaza Strip and Jericho area.

4. The above agreement will include arrangements for coordination between both parties regarding passages:

a. ///Gaza - Egypt;

b. Jericho - Jordan

c. International or foreign presence there, as agreed upon.

5. Other then these agreed arrangements, the status of the Gaza Strip and Jericho area will continue to be an integral part of the West Bank and Gaza Strip, and will not be changed in the interim period.

AGREED MINUTES TO THE DECLARATION OF PRINCIPLES ON INTERIM SELF-GOVERNMENT ARRANGEMENTS

A. GENERAL UNDERSTANDINGS AND AGREEMENTS

Any powers and responsibilities transferred to Palestinians pursuant to the Declaration of Principles prior to the inauguration of the Conceal will be subject to the same principles pertaining to Article IV, as set out in these Agreed Minutes below.

B. SPECIFIC UNDERSTANDINGS AND AGREEMENTS

Article IV

1. Jurisdiction of the Council will cover West Bank and Gaza Strip territory, except for issues that will be negotiated in the permanent status negotiations: Jerusalem, settlements, Israelis and military locations.

2. While jurisdiction of the Council will cover infrastructure in the West Bank and Gaza Strip, the Interim Agreement will include special arrangements that will apply in the transitional period to infrastructure that is commonly used.

3. The Council's jurisdiction will apply with regard to the agreed powers, responsibilities, spheres and authorities transferred to it.

Article VI (2)

It is agreed that the transfer of authority will be as follows:

(1) The Palestinian side will inform the Israelis side of the names of Palestinians who will assume the powers, authorities and responsibilities that will be transferred to the Palestinians according to the Declaration of Principles in the following fields: education and culture, health, social welfare, direct taxation and tourism and any other authorities agreed upon.

(2) It is understood that the rights and obligations of these offices will not be affected.

(3) Each of the spheres described above will continue to enjoy existing budgetary allocations in accordance with arrangements to be mutually agreed upon. These arrangements also will provide for the necessary adjustments required in order to take into account the taxes collected by the direct taxation office.

(4) Upon the execution of the Declaration of Principles, the Israeli and Palestinian delegations will immediately commence negotiations on a detailed plan for the transfer of authority on the above offices in accordance with the above understandings.

Article VII

The Interim-Agreement will also include arrangements for coordination and cooperation.

Article VIII

It is understood that the Interim Agreement will include arrangements for cooperation and coordination between the two parties in this regard. It is also agreed that the transfer of powers and responsibilities to the Palestinian police and Palestinian internal security forces will be accomplished in a phased manner, as agreed in the Interim-Agreement

Article X

It is agreed that, upon the entry into force of the Declaration of Principles, the Israeli and Palestinian delegations will exchange the names of the individuals designated by them as members of the Joint Israeli-Palestinian Liaison Committee.

It is further agreed that each side will have an equal number of members in the Joint Committee. The Joint Committee may add other technicians and experts,

as necessary. The Joint Committee will decide on the frequency and place or places of meetings.

Annex II

It is understood that subsequent to the Israeli withdrawal, Israel will continue to be responsible for external security , for internal security and public order for the settlements, and Israelis. Israeli military forces and civilians may continue to use roads freely within the Gaza Strip and Jericho, as will be agreed in the agreement on Gaza Strip and Jericho area.

Done at Washington, D.C., this day of , 1993.

ANNEX III

Protocol On Israeli - Palestinian Cooperation in Economic and Development Programs

The two sides agree to establish an Israeli-Palestinian Continuing Committee for Economic cooperation, focusing, among other things, on the following :

1. Cooperation ~~in~~ (in the field of) water ~~fields~~ resources, including a water Development Program prepared by experts from both sides, which will also specify the mode of cooperation in the managment of water resources in the West Bank and Gaza Strip, and will include proposals for studies and plans on water rights of each party, as well as on the equitable utilization of joint water resources for implementation in and beyond the interim period.

2. Cooperation in electricity field, including an Electricity Development Program, which will also specify the mode of cooperation for the production, maintenance, purchase and sale of electricity resources.

3. Cooperation in energy field, including an Energy Development Program, which will provide for the exploitation of oil and gas for industrial purposes, particularly in the Gaza Strip and in the Negev, and will encourage further joint exploitation of other energy resources. These programs may also provide for the construction of a Petrochemical industrial complex in the Gaza Strip and the construction of oil and gas pipelines.

4. Cooperation in the financial fields including, a Financial Development and Action Program for the encouragement of international investment in the West Bank and Gaza strip, and in Israel, as well as the establishment of a Palestinian Development Bank.

5. Cooperation in transport and Communication fields, including a Program, which will define guidelines for the establishment of a greater Gaza Sea port Area, and will provide for the estabishing of transport and communication lines to and from the West Bank and the Gaza strip to Israel and to other countries. In addition this program will provide for carrying out of the necessary construction of roads, railways, communications lines, etc.

6. Cooperation in ~~trade~~ field including studies, and Promotion Programs which will encourge Local, regional and inter-regional trade, as well as ~~the viability~~ of creating free tade zones in the Gaza Strip and in Israel, mutual access to these zones, and cooperation in other areas related to trade and commerce.

7. Cooperation in industrial fields, including, Industrial Development Programs, which will provide for the establishment of joint Israeli - Palestinian Industrial Research and Development Centers, will promote Palestinian - Israeli joint ventures and provide guidelines for cooperation in the textile, food, pharmaceutical, electronics, diamonds, computer and science - based industries.

8. A programs for cooperation and regulating Labour relation and cooperation in social welfare issuses.

9. A Human Resources Development and cooperation Plan, providing for joint Israeli - Palestinian workshops and seminars, and for the establishment of joint vocational training centers, research institutes and data banks.

10. An Environmental Protection Plan, providing for joint and /or coordinated measures in this sphere.

11. Any other programs of mutual interest.

DRAFT

ANNEX IV

Protocol on Israeli - Palestinian Cooperation Concerning Regional Development Programs

1. The two sides will cooperate in the context of the multilateral peace efforts in promoting a Development Program for the region, including the West Bank and the Gaza Strip, to be initiated by the G-7. The parties will request the G- 7 to seek the participation in this program of other interested states, such as members of the organization for Economic Cooperation On Development, regional Arab states and institutions, as well as members of the private sector.

2. The development program will consist of two elements:
   A) An Economic Development Program for the West Bank and the Gaza Strip.
   B) A Regional Economic Development Program.

A. ~~Israel will support in the multilateral negotiations a~~ ~~Palestinian~~ Economic Development Program for the West Bank and the Gaza Strip ~~which~~ will be composed of the following :

   (1) A Social Rehabilitation Program including A Housing and Construction Programe.
   (2) A Small and Medium Business Development Plan.
   (3) An Infrastructure Development Programe (water, electricity, transportation and communiction, etc.)
   (4) A Human Resources Plan.
   (5) Other programs.

B. The Regional Economic Development Program will consist ~~of the~~ of the following elements :

(1) The establishment of a Middle East Development Fund, as a first step, and a Midle East Development Bank, as a second step.

(2) The development of a joint Israeli - Palestinian - Jordanian Plan for coordinated exploitation of the Dead Sea area.

(3) The Mediterrean sea (Gaza) - Dead sea Canal.

(4) Regional Desalinazation and other water development projects.

(5) A regional plan for agricultrual development, including a coordinated regional effort for the prevention of desertification.

(6) Interconnection of electricity grids.

(7) Regional cooperation for the transfer, distribution and industrial exploitation of gas, oil and other energy resources.

(8) A Regional Tourism, Transportation and Telecommunications Development Plan.

(9) Regional cooperation in other spheres.

3. The two sides will encourage the multilateral working groups, and will coordinate toward its success. The two parties will encourage intersessional activities, as well as pre- feasibility and feasibility studies within the various multilateral working groups.

B. The Regional Economic Development Program will consist ~~of the~~ of the following elements :

(1) The establishment of a Middle East Development Fund, as a first step, and a Midle East Development Bank, as a second step.

(2) The development of a joint Israeli - Palestinian - Jordanian Plan for coordinated exploitation of the Dead Sea area.

(3) The Mediterrean sea (Gaza) - Dead sea Canal.

(4) Regional Desalinazation and other water development projects.

(5) A regional plan for agricultrual development, including a coordinated regional effort for the prevention of desertification.

(6) Interconnection of electricity grids.

(7) Regional cooperation for the transfer, distribution and industrial exploitation of gas, oil and other energy resources.

(8) A Regional Tourism, Transportation and Telecommunications Development Plan.

(9) Regional cooperation in other spheres.

3. The two sides will encourage the multilateral working groups, and will coordinate toward its success. The two parties will encourage intersessional activities, as well as pre- feasibility and feasibility studies within the various multilateral working groups.

MINISTER OF FOREIGN AFFAIRS

שר החוץ

684506

Jerusalem, August 5, 1993

H.E. Mr. Hans Jurgen Holst
Minister of Foreign Affairs
Norway

Dear Minister Holst,

Permit me to express to you my deepest gratitude on your latest correspondence of July 27 regarding the Norwegian Channel. Your incisive and in-depth analysis of the evolving situation is of great value to us - both to Prime Minister Rabin and myself - in evaluating the very intricate dynamics of this unique channel and opportunity.

I believe, as you do, that we have come to a decisive moment in the Oslo talks; positions have been clarified, trust has been established, limits of maneuvrability have been tested. Now time is ripe for decisions. Decisions of this nature often seem burdened by risk. Yet, the biggest risk of all, is the inability to take any risks and the devastating comfort of paralysis, causing the preservation of a dangerous status quo.

Palestinian-Israeli relations can move in one of two directions: the perpetuation of a tragic, futile and costly confrontation, or the opening of a new chapter of co-existence in mutual trust, dignity and security. It is not our moral or political intention to run the life of another people. We must not dominate their destinies, nor be dominated by their inability to reach compromises.

The gradual process proposed in Oslo is the fastest path, as it proposes progress in harmony with historical change.

From your in-depth description and analysis we learn that the PLO too seem to sense, the time is right. Yet, I must share with you my honest concern, that again they may opt to aspire for a too perfect solution, disregarding the common sense that the best solution is one that is compatible to both sides. Neither side should comply with futile procrastination. The vacuum may be filled by opposing forces, or with other initiatives, including the possibility of desired progress between Israel and Syria. Secretary Christopher is at this very moment visiting our region.

Another problem is related to the Palestinian desire to raise permanent status issues in order to guarantee the future. We know all too well that the guaranteeing of tomorrow is not possible, as creating a new reality is the only alternative. Our immediate aim is to reach an accord on the basic principles, pertaining to the interim self-rule (Declaration of Principles). Only from the basis of this achievement and its positive repercussions will we be able to explore the necessary outstanding details on Gaza and Jericho, including the possibility of a statement of the PLO leadership in this context. Today this seems premature. The signing of the Declaration of Principles could start a historic watch moving and create a new era of cooperation. The signing of the Declaration of Principles in 1993, would mean a 1995 beginning of negotiations on permanent status.

All this, Mr. Minister, was made possible very much due to your unique role in facilitating the Oslo Channel. You permit the most special political process to take place away from distracting limelights. Our people tell me about your special involvement and hospitality. I am grateful for you to have created such a special environment for them. Facilitating this process you have been aware of every nuance and sensitivity of this special encounter. Above all, dear Minister, you are a real peace-maker, promoting peace for the sake of peace itself.

We will continue to keep in touch, as hopefully we approach the fruition of our mutual effort.

Yours sincerely,

Shimon Peres

Shimon Peres

Unofficial Draft of July 26, 1993
(Final positions)

DECLARATION OF PRINCIPLES ON INTERIM SELF-GOVERNMENT ARRANGEMENTS

The Government of the State of Israel and the Palestinian team (in the Jordanian-Palestinian delegation to the Middle East Peace Conference) (the "Palestinian Delegation"), representing the Palestinian people, agree that it is time to put an end to decades of confrontation and conflict, recognize their mutual legitimate and political rights, and strive to live in peaceful coexistence and mutual dignity and security and achieve a just, lasting and comprehensive peace settlement and historic reconciliation through the agreed political process.

Accordingly, the two sides agree to the following principles:

Article I

AIM OF THE NEGOTIATIONS

1. The aim of the Israeli-Palestinian negotiations within the current Middle East peace process is, among other things, to establish a Palestinian Interim Self-Government Authority, the elected Council, ("the Council") for the Palestinian people in the West Bank and the Gaza Strip, for a transitional period of five years, leading to a permanent settlement based on Security Council Resolutions 242 and 338.

   It is understood that the interim arrangements are an

integral part of the whole peace process and that the negotiations on the permanent status will lead to the implementation of Security Council Resolutions 242 and 338, as agreed by the parties in the permanent status agreement.

Article II

FRAMEWORK FOR THE INTERIM PERIOD

The agreed framework for the interim period is set forth in this Declaration of Principles.

Article III

ELECTIONS

1. In order that the Palestinian people in the West Bank and Gaza Strip may govern themselves according to democratic principles, direct, free and general political elections will be held for the Council under agreed supervision and international observation. The Palestinian police will ensure public order.
2. An agreement will be concluded on the exact mode and conditions of the elections in accordance with the protocol attached as Annex I, with the goal of holding the elections not later than nine months after the entry into force of this Declaration of Principles.
3. These elections will constitute a significant interim preparatory step toward the realization of the legitimate rights of the Palestinian people and their just requirements, ~~as agreed through the permanent status~~

~~negotiations to be conducted in accordance with Article V below~~.

Article IV

JURISDICTION

Jurisdiction of the Council will cover West Bank and Gaza Strip territory, except for issues that will be negotiated in the permanent status negotiations. The two sides view the West Bank and the Gaza Strip as a single territorial unit.

Article V

TRANSITIONAL PERIOD AND PERMANENT STATUS NEGOTIATIONS

1. The five-year transitional period will begin upon the withdrawal from the Gaza Strip and Jericho.

2. Permanent status negotiations will commence as soon as possible, but not later than the beginning of the third year of the interim period, between the Government of Israel and the Palestinian people representatives.

3. It is understood that, within the context of the permanent status negotiations, each party may raise any issues for negotiations. The Palestinian representatives have indicated that they will raise the issues of Jerusalem, refugees, settlements, security arrangements, borders and relations and cooperation with other neighbors. Israel has indicated that it will raise the issues of the permanent status of the West Bank and the Gaza Strip and its relationship with its neighbors.

4. The two parties agree that the outcome of the permanent status negotiations should not be prejudiced or preempted by agreements reached for the interim period.

Article VI

PREPARATORY TRANSFER OF POWERS AND RESPONSIBILITIES

1. Upon the entry into force of this Declaration of Principles and the withdrawal from Gaza Strip and Jericho area, a transfer of authority from the Israeli military government and its Civil Administration to the authorized Palestinians for this task ~~designated by the Palestinian Delegation~~, as detailed herein, will commence. This transfer of authority will be of preparatory nature until the inauguration of the Council.

2. Immediately after the entry into force of this Declaration of Principles, and the withdrawal from Gaza Strip and Jericho area, authority will be transferred to the Palestinians on the following spheres: education and culture, health, social welfare, direct taxation, and tourism. The Palestinian side will commence in building the Palestinian Police force as agreed upon. Pending the inauguration of the Council, the two parties may negotiate the transfer of additional powers and responsibilities, as agreed upon.

Article VII

INTERIM AGREEMENT

1. The Israeli and Palestinian delegations will negotiate an agreement on the interim period ("the Interim Agreement").

2. The Interim Agreement shall specify, among other things, the structure of the Council, the number of its members, and the transfer of powers and responsibilities from the Israeli military government and its Civil Administration to the Council. The Interim Agreement shall also specify the Council's executive authority, legislative authority in accordance with Article IX below, and the independent Palestinian judicial organs.

3. The Interim Agreement shall include arrangements, to be implemented upon the inauguration of the Council, for the assumption by the Council of all of the powers and responsibilities transferred previously in accordance with Article VI above.

4. In order to enable the Council to promote economic growth, upon its inauguration, the Council will establish, among other things, a Palestinian Electricity Authority, a Gaza Sea Port Authority, a Palestinian Development Bank, a Palestinian Export Promotion Board, a Palestinian Environmental Authority, a Palestinian Land Authority and a Palestinian Water Administration Authority, and any other Authorities agreed upon, in accordance with the Interim Agreement that will specify their powers and responsibilities.

5. After the inauguration of the Council, the Civil Administration will be dissolved.

Article VIII

PUBLIC ORDER AND SECURITY

In order to guarantee public order and internal security for the Palestinians of the West Bank and the Gaza Strip, the Council will establish a strong police force, while Israel will continue to carry the overall responsibility for defending against external threats and threats of terror against Israelis, as well as for public order of Israelis.

Article IX

LAWS AND MILITARY ORDERS

1. The Council will be empowered to legislate, in accordance with the Interim Agreement, within all authorities transferred to it.
2. Both parties will review jointly laws and military orders presently in force in remaining spheres.

Article X

JOINT ISRAELI-PALESTINIAN LIAISON COMMITTEE

In order to provide for a smooth implementation of this Declaration of Principles and any subsequent agreements pertaining to the interim period, upon the entry into force of this Declaration of Principles, a Joint Israeli-Palestinian Liaison Committee will be established in order to deal with issues requiring coordination, other issues of common interest and disputes.

Article XI

ISRAELI-PALESTINIAN COOPERATION IN ECONOMIC FIELDS

Recognizing the mutual benefit of cooperation in promoting the

development of the West Bank, the Gaza Strip and Israel upon the entry into force of this Declaration of Principles, an Israeli-Palestinian Development Committee will be established in order to develop and implement in a cooperative manner the programs identified in Annex III.

Article XII

LIAISON AND COOPERATION WITH JORDAN AND EGYPT

1. The Government of Israel and the Council will invite the Governments of Jordan and Egypt to participate in establishing further liaison and cooperation arrangements between the Government of Israel and the Council, on one hand, and the Governments of Jordan and Egypt, on the other hand.

Article XIII

REDEPLOYMENT OF ISRAELI FORCES

1. After the entry into force of this Declaration of Principles, and not later than the eve of elections for the Council, a redeployment of Israeli military forces in the West Bank and the Gaza Strip will take place.
2. In redeploying its military forces, Israel will be guided by the principle that its military forces should be redeployed outside populated areas.
3. Further redeployments to certain locations will be gradually implemented commensurate with the assumption of responsibility for public order and internal security by the Palestinian police force pursuant to Article VIII above.

Article XIV

ISRAELI WITHDRAWAL FROM THE GAZA STRIP AND JERICHO AREA

Israel ~~is ready to~~ shall commence implement an accelerated withdrawal of Israeli military forces from the Gaza Strip and Jericho area (to be agreed upon) as detailed in Annex II. The seat of the Council will be in Jericho.

Article XV

RESOLUTION OF DISPUTES

1. Disputes arising out of the application or interpretation of this Declaration of Principles, or any subsequent agreements pertaining to the interim period, shall be resolved by negotiations through the Joint Liaison Committee to be established pursuant to Article IX above.
2. Disputes which cannot be settled by negotiations may be resolved by a mechanism of conciliation to be established by the parties.
3. The parties may agree to submit to arbitration disputes relating to the interim period, which cannot be settled through conciliation. To this end, upon the agreement of both parties, the parties will establish an Arbitration Committee.

Article XVI

ISRAELI-PALESTINIAN COOPERATION CONCERNING REGIONAL PROGRAMS

Both parties view the multilateral working groups as an appropiate instrument for promoting a "Marshall Plan", the regional programs and other programs, including special programs for the West Bank and Gaza Strip, as indicated in Annex IV.

Article XVII

MISCELLANEOUS PROVISIONS

1. This Declaration of Principles will enter into force one month after its signing.
2. All protocols annexed to this Declaration of Principles and Agreed Minutes pertaining thereto shall be regarded as an integral part hereof.

Done at Washington, D.C., this ____ day of _____, 1993.

ANNEX II

THE GAZA STRIP AND THE JERICHO AREA

1. It is agreed that the goal of both parties is to conclude within three months from the entry into force of this Declaration of Principles, an agreement, that will become effective immediately within a period not exceeding 30 days from the date of its signature, and that will include comprehensive arrangements to apply in the Gaza Strip and Jericho area (to be agreed upon), subsequent to the Israeli withdrawal.

2. The above agreement will cover among other things:

   a. The timing of the Israeli withdrawal;

   b. The scope and nature of the Palestinian authority, that will cover all authorities, except those that will be excluded in the agreement.

   c. Arrangements for the establishment of a police force, consisting of police officers recruited locally and a number of Jordanian nationals recruited abroad and trained as police officers.

   d. Arrangements for the assumption by the Palestinian police of larger responsibility for internal security and public order.

   e. A temporary international or foreign presence to be agreed upon.

   f. Arrangements for the safe passage of VIP's between the Gaza Strip and Jericho.

g. An economic, development, and stabilization program, including the joint seeking for foreign investment and economic support.

h. Other issues of common interest.

3. Other then these agreed arrangements, the status of the Gaza Strip and Jericho will continue to be an integral part of the West Bank and Gaza Strip, and will not be changed during the interim period.

(Final positions)

DECLARATION OF PRINCIPLES ON INTERIM SELF-GOVERNMENT ARRANGEMENTS

The Government of the State of Israel and the Palestinian team (in the Jordanian-Palestinian delegation to the Middle East Peace Conference) (the "Palestinian Delegation"), representing the Palestinian people, agree that it is time to put an end to decades of confrontation and conflict, recognize their mutual legitimate and political rights, and strive to live in peaceful coexistence and mutual dignity and security and achieve a just, lasting and comprehensive peace settlement and historic reconciliation through the agreed political process.

Accordingly, the two sides agree to the following principles:

Article I

AIM OF THE NEGOTIATIONS

1. The aim of the Israeli-Palestinian negotiations within the current Middle East peace process is, among other things, to establish a Palestinian Interim Self-Government Authority, the elected Council, ("the Council") for the Palestinian people in the West Bank and the Gaza Strip, for a transitional period of five years, leading to a permanent settlement based on Security Council Resolutions 242 and 338.

   It is understood that the interim arrangements are an

integral part of the whole peace process and that the negotiations on the permanent status will lead to the implementation of Security Council Resolutions 242 and 338, as agreed by the parties in the permanent status agreement.

Article II

FRAMEWORK FOR THE INTERIM PERIOD

The agreed framework for the interim period is set forth in this Declaration of Principles.

Article III

ELECTIONS

1. In order that the Palestinian people in the West Bank and Gaza Strip may govern themselves according to democratic principles, direct, free and general political elections will be held for the Council under agreed supervision and international observation. The Palestinian police will ensure public order.
2. An agreement will be concluded on the exact mode and conditions of the elections in accordance with the protocol attached as Annex I, with the goal of holding the elections not later than nine months after the entry into force of this Declaration of Principles.
3. These elections will constitute a significant interim preparatory step toward the realization of the legitimate rights of the Palestinian people and their just requirements. ~~as agreed through the permanent status~~

~~negotiations to be conducted in accordance with Article V~~ below.

Article IV

JURISDICTION

Jurisdiction of the Council will cover West Bank and Gaza Strip territory, except for issues that will be negotiated in the permanent status negotiations. The two sides view the West Bank and the Gaza Strip as a single territorial unit.

Article V

TRANSITIONAL PERIOD AND PERMANENT STATUS NEGOTIATIONS

1. The five-year transitional period will begin upon the withdrawal from the Gaza Strip and Jericho.

2. Permanent status negotiations will commence as soon as possible, but not later than the beginning of the third year of the interim period, between the Government of Israel and the Palestinian people representatives.

3. It is understood that, within the context of the permanent status negotiations, each party may raise any issues for negotiations. The Palestinian representatives have indicated that they will raise the issues of Jerusalem, refugees, settlements, security arrangements, borders and relations and cooperation with other neighbors. Israel has indicated that it will raise the issues of the permanent status of the West Bank and the Gaza Strip and its relationship with its neighbors.

4. The two parties agree that the outcome of the permanent status negotiations should not be prejudiced or preempted by agreements reached for the interim period.

Article VI

PREPARATORY TRANSFER OF POWERS AND RESPONSIBILITIES

1. Upon the entry into force of this Declaration of Principles and the withdrawal from Gaza Strip and Jericho area, a transfer of authority from the Israeli military government and its Civil Administration to the authorized Palestinians for this task ~~designated by the Palestinian Delegation~~, as detailed herein, will commence. This transfer of authority will be of preparatory nature until the inauguration of the Council.

2. Immediately after the entry into force of this Declaration of Principles, and the withdrawal from Gaza Strip and Jericho area, authority will be transferred to the Palestinians on the following spheres: education and culture, health, social welfare, direct taxation, and tourism. The Palestinian side will commence in building the Palestinian Police force as agreed upon. Pending the inauguration of the Council, the two parties may negotiate the transfer of additional powers and responsibilities, as agreed upon.

Article VII

INTERIM AGREEMENT

1. The Israeli and Palestinian delegations will negotiate an agreement on the interim period ("the Interim Agreement").

2. The Interim Agreement shall specify, among other things, the structure of the Council, the number of its members, and the transfer of powers and responsibilities from the Israeli military government and its Civil Administration to the Council. The Interim Agreement shall also specify the Council's executive authority, legislative authority in accordance with Article IX below, and the independent Palestinian judicial organs.

3. The Interim Agreement shall include arrangements, to be implemented upon the inauguration of the Council, for the assumption by the Council of all of the powers and responsibilities transferred previously in accordance with Article VI above.

4. In order to enable the Council to promote economic growth, upon its inauguration, the Council will establish, among other things, a Palestinian Electricity Authority, a Gaza Sea Port Authority, a Palestinian Development Bank, a Palestinian Export Promotion Board, a Palestinian Environmental Authority, a Palestinian Land Authority and a Palestinian Water Administration Authority, and any other Authorities agreed upon, in accordance with the Interim Agreement that will specify their powers and responsibilities.

5. After the inauguration of the Council, the Civil Administration will be dissolved.

Article VIII

PUBLIC ORDER AND SECURITY

In order to guarantee public order and internal security for the Palestinians of the West Bank and the Gaza Strip, the Council will establish a strong police force, while Israel will continue to carry the overall responsibility for defending against external threats and threats of terror against Israelis, as well as for public order of Israelis.

Article IX

LAWS AND MILITARY ORDERS

1. The Council will be empowered to legislate, in accordance with the Interim Agreement, within all authorities transferred to it.
2. Both parties will review jointly laws and military orders presently in force in remaining spheres.

Article X

JOINT ISRAELI-PALESTINIAN LIAISON COMMITTEE

In order to provide for a smooth implementation of this Declaration of Principles and any subsequent agreements pertaining to the interim period, upon the entry into force of this Declaration of Principles, a Joint Israeli-Palestinian Liaison Committee will be established in order to deal with issues requiring coordination, other issues of common interest and disputes.

Article XI

ISRAELI-PALESTINIAN COOPERATION IN ECONOMIC FIELDS

Recognizing the mutual benefit of cooperation in promoting the

development of the West Bank, the Gaza Strip and Israel upon the entry into force of this Declaration of Principles, an Israeli-Palestinian Development Committee will be established in order to develop and implement in a cooperative manner the programs identified in Annex III.

Article XII

LIAISON AND COOPERATION WITH JORDAN AND EGYPT

The Government of Israel and the Council will invite the Governments of Jordan and Egypt to participate in establishing further liaison and cooperation arrangements between the Government of Israel and the Council, on one hand, and the Governments of Jordan and Egypt, on the other hand.

Article XIII

REDEPLOYMENT OF ISRAELI FORCES

1. After the entry into force of this Declaration of Principles, and not later than the eve of elections for the Council, a redeployment of Israeli military forces in the West Bank and the Gaza Strip will take place.
2. In redeploying its military forces, Israel will be guided by the principle that its military forces should be redeployed outside populated areas.
3. Further redeployments to certain locations will be gradually implemented commensurate with the assumption of responsibility for public order and internal security by the Palestinian police force pursuant to Article VIII above.

Article XIV

ISRAELI WITHDRAWAL FROM THE GAZA STRIP AND JERICHO AREA

Israel ~~is ready to~~ shall commence implement an accelerated withdrawal of Israeli military forces from the Gaza Strip and Jericho area (to be agreed upon) as detailed in Annex II. The seat of the Council will be in Jericho.

Article XV

RESOLUTION OF DISPUTES

1. Disputes arising out of the application or interpretation of this Declaration of Principles, or any subsequent agreements pertaining to the interim period, shall be resolved by negotiations through the Joint Liaison Committee to be established pursuant to Article IX above.
2. Disputes which cannot be settled by negotiations may be resolved by a mechanism of conciliation to be established by the parties.
3. The parties may agree to submit to arbitration disputes relating to the interim period, which cannot be settled through conciliation. To this end, upon the agreement of both parties, the parties will establish an Arbitration Committee.

Article XVI

ISRAELI-PALESTINIAN COOPERATION CONCERNING REGIONAL PROGRAMS

Both parties view the multilateral working groups as an appropiate instrument for promoting a "Marshall Plan", the regional programs and other programs, including special programs for the West Bank and Gaza Strip, as indicated in Annex IV.

Article XVII

MISCELLANEOUS PROVISIONS

1. This Declaration of Principles will enter into force one month after its signing.
2. All protocols annexed to this Declaration of Principles and Agreed Minutes pertaining thereto shall be regarded as an integral part hereof.

Done at Washington, D.C., this ____ day of _____, 1993.

ANNEX II

THE GAZA STRIP AND THE JERICHO AREA

1. It is agreed that the goal of both parties is to conclude within three months from the entry into force of this Declaration of Principles, an agreement, that will become effective immediately within a period not exceeding 30 days from the date of its signature, and that will include comprehensive arrangements to apply in the Gaza Strip and Jericho area (to be agreed upon), subsequent to the Israeli withdrawal.

2. The above agreement will cover among other things:

   a. The timing of the Israeli withdrawal;

   b. The scope and nature of the Palestinian authority, that will cover all authorities, except those that will be excluded in the agreement.

   c. Arrangements for the establishment of a police force, consisting of police officers recruited locally and a number of Jordanian nationals recruited abroad and trained as police officers.

   d. Arrangements for the assumption by the Palestinian police of larger responsibility for internal security and public order.

   e. A temporary international or foreign presence to be agreed upon.

   f. Arrangements for the safe passage of VIP's between the Gaza Strip and Jericho.

g. An economic, development, and stabilization program, including the joint seeking for foreign investment and economic support.

h. Other issues of common interest.

3. Other then these agreed arrangements, the status of the Gaza Strip and Jericho will continue to be an integral part of the West Bank and Gaza Strip, and will not be changed during the interim period.

Amended Draft of July 25, 1993

DECLARATION OF PRINCIPLES ON INTERIM SELF-GOVERNMENT [P: AUTHORITY] ARRANGEMENTS

The Government of the State of Israel and the Palestinian team [in the Jordanian-Palestinian delegation to the Middle East Peace Conference], representing the Palestinian people, agree that it is time to put an end to decades of confrontation and conflict, recognize their mutual legitimate [P: and political] rights, strive to live in peaceful coexistence and mutual dignity and security and achieve a just, lasting and comprehensive peace settlement and historic reconciliation through the agreed political process.

Accordingly, the two sides agree to the following principles:

Article I

AIM OF THE NEGOTIATIONS

1. The aim of the Israeli-Palestinian negotiations within the current Middle East peace process is, among other things, to establish a Palestinian Interim Self-Government Authority, the elected Council, ("the Council") for the Palestinian people in the West Bank and the Gaza Strip, for a transitional period of five years, leading to a permanent settlement based on Security Council Resolutions 242 and 338.

2. Permanent status negotiations will commence as soon as possible, but not later than the beginning of the third year of the interim period, between the Government of Israel and the Palestinian people representatives.

3. [I: These negotiations may cover remaining issues, including: the permanent status of the West Bank and the Gaza Strip, its relationship with its neighbors, and any other issues of common interest]. [P: These negotiations shall cover the remaining issues, including: Jerusalem,

refugees, settlements, security arrangements, borders, relations and cooperation with other neighbors and any other issue of common interest.] [I: suggested compromise: It is understood that, within the context of the permanent status negotiations, each party may raise any issues for discussion. The Palestinian representatives have indicated that they intend to raise for discussion the issues of Jerusalem, refugees, settlements, security arrangements, borders and relations and cooperation with other neighbors. Israel has indicated that it intends to raise for discussion the issues of the permanent status of the West Bank and the Gaza Strip and its relationship with its neighbors.]

4. The two parties agree that the outcome of the permanent status negotiations should not be prejudiced or preempted by agreements reached for the interim period.

Article VI

PREPARATORY TRANSFER OF POWERS AND RESPONSIBILITIES

1. Upon the entry into force of this Declaration of Principles, [P: and the withdrawal from Gaza Strip and Jericho area] a transfer of authority from the Israeli military government and its Civil Administration to the [I: Palestinians] [P: Palestinian people representatives], as detailed herein, will commence. This transfer of authority will be of preparatory nature until the inauguration of the Council.

2. Immediately after the entry into force of this Declaration

of Principles, [P: and the withdrawal from Gaza Strip and Jericho area] authority will be transferred to the Palestinians on the following spheres: education and culture, health, social welfare, direct taxation, and tourism. ~~[P]~~: The Palestinian side will commence in building the Palestinian Police force, as agreed upon. Pending the inauguration of the Council, the two parties may negotiate the transfer of additional powers and responsibilities, as agreed upon.

3. [I: Immediately after entry into force of this Declaration of Principles, preperatory steps, necessary for the establishment of the Palestinian Police force, will be taken in liaison with the Palestinians, Israel, Egypt and Jordan.]

Article VII

INTERIM AGREEMENT

1. The Israeli and Palestinian delegations will negotiate an agreement on the interim period ("the Interim Agreement").

2. The Interim Agreement shall specify, among other things, [P: the transfer of all powers and responsibilities from the Civil Administration and the Military Government to the Council], the structure of the Council, the number of its members, and its powers and responsibilities [P: including legislative, executive and independent judicial].

3. The Interim Agreement shall include arrangements, to be implemented upon the inauguration of the Council, for the assumption by the Council of all of the powers and responsibilities transferred previously in accordance with

Article VI above.

4. In order to enable the Council to promote economic growth, upon its inauguration, the Council will establish, among other things, a Palestinian Electricity Authority, a Gaza Sea Port Authority, a Palestinian Development Bank, a Palestinian Export Promotion Board, a Palestinian Environmental Authority, a Palestinian Land Authority and a Palestinian Water Administration Authority, ~~[P:~~ and any other authority ~~as~~ agreed upon~~]~~ ~~[I: that will have powers and~~ responsibilities] in accordance with the Interim Agreement.

5. ~~[P:~~ After the inauguration of the Council, the Civil Administration ~~/~~ and the Israeli Military Government ~~]~~ will be dissolved. ~~/~~

Article VIII

PUBLIC ORDER AND SECURITY

In order to guarantee optimal public order and internal security for the Palestinians of the West Bank and the Gaza Strip, the Council will establish a strong police force [P: while Israel will continue to carry the responsibility for external security]. [I: Israel will continue to carry the overall responsibility for security in the West Bank and the Gaza Strip and of Israelis.]

Article IX

LAWS AND MILITARY ORDERS

1. The Council will be empowered to legislate, in accordance with the Interim Agreement, within all authorities

transferred to it.

2. Both parties will review jointly laws and military orders presently in force in remaining spheres.

Article X

JOINT ISRAELI-PALESTINIAN LIAISON COMMITTEE

In order to provide for a smooth implementation of this Declaration of Principles and any subsequent agreements pertaining to the interim period, upon the entry into force of this Declaration of Principles, a Joint Israeli-Palestinian Liaison Committee will be established in order to deal with issues requiring coordination, other issues of common interest and disputes.

Article XI

JOINT ISRAELI-PALESTINIAN COOPERATION IN ECONOMIC FIELDS

Recognizing the mutual benefit of cooperation in promoting the development of the West Bank, the Gaza Strip and Israel upon the entry into force of this Declaration of Principles, an Israeli-Palestinian Development Committee will be established in order to develop and implement in a cooperative manner the programs identified in Annex III.

Article XII

LIAISON AND COOPERATION WITH JORDAN AND EGYPT

[I: The Government of Israel and the Council will invite the Governments of Jordan and Egypt to participate in establishing further liaison and cooperation arrangements between the

Government of Israel and the Council on one hand and the Governments of Jordan and Egypt on the other hand.]

[P: The Government of Israel and the Council will suggest the establishment of a further liaison and cooperation arrangements committee between the Government of Israel, the Palestinian Authority, Jordan and Egypt, for arrangements of the return of the displaced persons since 1967 and other issues of common concern.]

Article XIII

REDEPLOYMENT OF ISRAELI FORCES

1. After the entry into force of this Declaration of Principles, and not later than the eve of elections for the Council, a redeployment of Israeli military forces in the West Bank and the Gaza Strip will take place.

3. Further redeployments [P: to certain locations] will be gradually implemented commensurate with the assumption of responsibility for public order and internal security by the Palestinian police force pursuant to Article VII above.

ANNEX I

Protocol On The Mode And Conditions of Elections

1. Palestinians of Jerusalem who live there will have the right to participate in the election process, according to an agreement between the two sides.
2. In addition, the election agreement should cover, among other things, the following issues:
   a. [P: The participation of the displaced persons since 1967 in the elections.]
   b. The system of elections.
   c. The mode of the agreed supervision and international observation and their personal composition; and
   d. Rules and regulations regarding election campaign, including agreed arrangements for the organizing of mass media, and the possibility of licensing a broadcasting and TV station.

ANNEX II

THE GAZA STRIP AND THE JERICHO AREA

Amended draft of July 25, 1993

AGREED MINUTES TO THE

DECLARATION OF PRINCIPLES ON

INTERIM SELF-GOVERNMENT ARRANGEMENTS

A. GENERAL UNDERSTANDINGS AND AGREEMENTS

1. [I: In each paragraph of the Declaration of Principles in which the expression "West Bank and Gaza Strip" appears, it is understood as the areas currently subject to Israeli military government.]

2. [I: Any powers and responsibilities transferred to Palestinians pursuant to the Declaration of Principles prior to the inauguration of the Council will be subject to the same principles pertaining to Article IV, as set out in these Agreed Minutes below.]

3. [P: It is understood that jurisdiction of the "Council" will cover "all West Bank and Gaza Strip Land", except for issues that are agreed to be negotiated in the permanent status: Jerusalem, settlements, Israelis, military locations.]

4. [P: It is understood that jurisdiction of the "Council" will cover all infrastructure in the West Bank and Gaza Strip. The Interim-Agreement will include special arrangements that will apply in the transitional period for common uses of some items of infrastructure: regional roads, electricity, water carriers.]

5. [P: It is understood that special arrangements to be

agreed upon between the two sides regarding Palestinians of Jerusalem and their interests, Palestinian institutions.

B. SPECIFIC UNDERSTANDINGS AND AGREEMENTS

Article IV

[I: It is agreed that the Council's jurisdiction will exclude the following issues of permanent status: settlements, Jerusalem and security areas, in addition to Israelis; the Interim Agreement will include special arrangements that will apply to common infrastructure.

It is understood that the Council's jurisdiction will apply with regard to the agreed powers, responsibilities, spheres and authorities transferred to it.]

Article VI(2)

It is agreed that the transfer of authority will be as follows:

(1) The Palestinian side will inform the Israeli side of the names of Palestinians who will assume the powers, authorities and responsibilities that will be t transfered to the Palestinians according to the Declaration of Principles in the following fields education and culture, health, social welfare, direct taxation and tourism and any other authorities agreed upon.

(2) It is understood that the rights and obligations of these offices will not be affected.

(3) Each of the spheres described above will continue to enjoy existing budgetary allocations in accordance with arrangements to be mutually agreed upon. These arrangements also will provide for the necessary adjustments required in order to take into account the taxes collected by the direct taxation office.

(4) Upon the execution of the Declaration of Principles, the Israeli and Palestinian delegations will immediately commence negotiations on a detailed plan for the transfer of authority on the above offices in accordance with the above understandings.

Article VII

The Interim Agreement will also include arrangements for coordination and cooperation.

Article VIII

It is understood that Israel will continue to carry the responsibility for internal security and public order as specified in the principles pertaining to Article IV, as set out in these Agreed Minutes above, and that the Interim Agreement will include arrangements for cooperation and coordination between the two parties in this regard. It is also agreed that the transfer of powers and responsibilities to the Palestinian police will be accomplished in a phased manner, as agreed in the Interim Agreement.

Article X

It is agreed that, upon the entry into force of the Declaration of Principles, the Israeli and Palestinian delegations will exchange the names of the individuals designated by them as members of the Joint Israeli-Palestinian Liaison Committee.

It is further agreed that each side will have an equal number of members in the Joint Committee. The Joint Committee will reach decisions by agreement. ~~The Joint Committee may establish technical subcommittees as necessary~~. The joint committee may add other technicians and experts, as necessary. The Joint Committee will decide on the frequency and place or places of its meetings.

AIM OF THE NEGOTIATIONS

1. The aim of the Israeli-Palestinian negotiations within the current Middle East peace process is, among other things, to establish a Palestinian Interim Self-Government Authority, the elected Council, ("the Council") for the Palestinian people in the West Bank and the Gaza Strip, for a transitional period of five years, leading to a permanent settlement based on Security Council Resolutions 242 and 338.

[I: It is understood that the interim arrangements are an

integral part of the whole peace process leading to a permanent status agreement that will constitute the implementation of Security Council Resolutions 242 and 338.]

[P: It is understood that the interim arrangements are an integral part of the whole peace process and that the negotiations on the permanent status will lead to the implementation of Security Council Resolutions 242 and 338 in all their aspects.]

Article II

FRAMEWORK FOR THE INTERIM PERIOD

The agreed framework for the interim period is set forth in this Declaration of Principles.

Article III

ELECTIONS

1. In order that the Palestinian people in the West Bank and Gaza Strip may govern themselves according to democratic principles, direct, free and general political elections will be held for the Council ~~[P: under the supervision of the Palestinian Police]~~ under agreed supervision and international observation. The Palestinian police will ensure public order by the Palestinians

2. An agreement will be concluded on the exact mode and conditions of the elections in accordance with the protocol attached as Annex I, with the goal of holding the elections not later than nine months after the entry into force of this Declaration of Principles.

3. These elections will constitute a significant interim preparatory step toward the realization of the legitimate rights of the Palestinian people and their just requirements, [I: as agreed through the permanent status negotiations to be conducted in accordance with Article V below.]

Article IV

JURISDICTION

Jurisdiction of the Council will cover [P:all] West Bank and Gaza Strip [P: land] [I: territory], except for issues that will be negotiated in the permanent status negotiations.

Article V

TRANSITIONAL PERIOD AND PERMANENT STATUS NEGOTIATIONS

1. The five-year transitional period will begin ~~[P: upon the entry into force of this Declaration of Principles.] [I: upon the preparatory~~ upon the preparatory transfer of powers and responsibilities pursuant to Article VI below]

2. Permanent status negotiations will commence as soon as possible, but not later than the beginning of the third year of the interim period, between the Government of Israel and the Palestinian people representatives.

3. [I: These negotiations may cover remaining issues, including: the permanent status of the West Bank and the Gaza Strip, its relationship with its neighbors, and any other issues of common interest]. [P: These negotiations shall cover the remaining issues, including: Jerusalem,

refugees, settlements, security arrangements, borders, relations and cooperation with other neighbors and any other issue of common interest.] [I: suggested compromise: It is understood that, within the context of the permanent status negotiations, each party may raise any issues for discussion. The Palestinian representatives have indicated that they intend to raise for discussion the issues of Jerusalem, refugees, settlements, security arrangements, borders and relations and cooperation with other neighbors. Israel has indicated that it intends to raise for discussion the issues of the permanent status of the West Bank and the Gaza Strip and its relationship with its neighbors.]

4. The two parties agree that the outcome of the permanent status negotiations should not be prejudiced or preempted by agreements reached for the interim period.

Article VI

PREPARATORY TRANSFER OF POWERS AND RESPONSIBILITIES

1. Upon the entry into force of this Declaration of Principles, [P: and the withdrawal from Gaza Strip and Jericho area] a transfer of authority from the Israeli military government and its Civil Administration to the [I: Palestinians] [P: Palestinian people representatives], as detailed herein, will commence. This transfer of authority will be of preparatory nature until the inauguration of the Council.

2. Immediately after the entry into force of this Declaration

of Principles, [P: and the withdrawal from Gaza Strip and Jericho area] authority will be transferred to the Palestinians on the following spheres: education and culture, health, social welfare, direct taxation, and tourism. [P: The Palestinian side will commence in building the Palestinian Police force, as agreed upon] Pending the inauguration of the Council, the two parties may negotiate the transfer of additional powers and responsibilities, as agreed upon.

3. [I: Immediately after entry into force of this Declaration of Principles, preperatory steps, necessary for the establishment of the Palestinian Police force, will be taken in liaison with the Palestinians, Israel, Egypt and Jordan.]

Article VII

INTERIM AGREEMENT

1. The Israeli and Palestinian delegations will negotiate an agreement on the interim period ("the Interim Agreement").

2. The Interim Agreement shall specify, among other things, [P: the transfer of all powers and responsibilities from the Civil Administration and the Military Government to the Council], the structure of the Council, the number of its members, and its powers and responsibilities [P: including legislative, executive and independent judicial].

3. The Interim Agreement shall include arrangements, to be implemented upon the inauguration of the Council, for the assumption by the Council of all of the powers and responsibilities transferred previously in accordance with

Article VI above.

4. In order to enable the Council to promote economic growth, upon its inauguration, the Council will establish, among other things, a Palestinian Electricity Authority, a Gaza Sea Port Authority, a Palestinian Development Bank, a Palestinian Export Promotion Board, a Palestinian Environmental Authority, a Palestinian Land Authority and a Palestinian Water Administration Authority, ~~[P:~~ and any other authority agreed upon~~]~~ ~~[I: that will have powers and responsibilities]~~ in accordance with the Interim Agreement.

5. ~~[P:~~ After the inauguration of the Council, the Civil Administration [and the Israeli Military Government] will be dissolved.~~]~~

Article VIII

PUBLIC ORDER AND SECURITY

In order to guarantee optimal public order and internal security for the Palestinians of the West Bank and the Gaza Strip, the Council will establish a strong police force [P: while Israel will continue to carry the responsibility for external security]. [I: Israel will continue to carry the overall responsibility for security in the West Bank and the Gaza Strip and of Israelis.]

Article IX

LAWS AND MILITARY ORDERS

1. The Council will be empowered to legislate, in accordance with the Interim Agreement, within all authorities

transferred to it.

2. Both parties will review jointly laws and military orders presently in force in remaining spheres.

Article X

JOINT ISRAELI-PALESTINIAN LIAISON COMMITTEE

In order to provide for a smooth implementation of this Declaration of Principles and any subsequent agreements pertaining to the interim period, upon the entry into force of this Declaration of Principles, a Joint Israeli-Palestinian Liaison Committee will be established in order to deal with issues requiring coordination, other issues of common interest and disputes.

Article XI

JOINT ISRAELI-PALESTINIAN COOPERATION IN ECONOMIC FIELDS

Recognizing the mutual benefit of cooperation in promoting the development of the West Bank, the Gaza Strip and Israel upon the entry into force of this Declaration of Principles, an Israeli-Palestinian Development Committee will be established in order to develop and implement in a cooperative manner the programs identified in Annex III.

Article XII

LIAISON AND COOPERATION WITH JORDAN AND EGYPT

[I: The Government of Israel and the Council will invite the Governments of Jordan and Egypt to participate in establishing further liaison and cooperation arrangements between the

Government of Israel and the Council on one hand and the Governments of Jordan and Egypt on the other hand.]

[P: The Government of Israel and the Council will suggest the establishment of a further liaison and cooperation arrangements committee between the Government of Israel, the Palestinian Authority, Jordan and Egypt, for arrangements of the return of the displaced persons since 1967 and other issues of common concern.]

Article XIII

REDEPLOYMENT OF ISRAELI FORCES

1. After the entry into force of this Declaration of Principles, and not later than the eve of elections for the Council, a redeployment of Israeli military forces in the West Bank and the Gaza Strip will take place.

3. Further redeployments [P: to certain locations] will be gradually implemented commensurate with the assumption of responsibility for public order and internal security by the Palestinian police force pursuant to Article VII above.

2. In redeploying its military forces, Israel will be guided by the principle that force should be redeployed outside populated areas.

Article XIV

ISRAELI WITHDRAWAL FROM THE GAZA STRIP AND JERICHO

Article XV

RESOLUTION OF DISPUTES

1. Disputes arising out of the application or interpretation of this Declaration of Principles, or any subsequent agreements pertaining to the interim period, shall be resolved by negotiations through the Joint Liaison Committee to be established pursuant to Article IX above.
2. Disputes which cannot be settled by negotiations may be resolved by a mechanism of conciliation to be established by the parties.
3. The parties may agree to submit to arbitration disputes relating to the interim period, which cannot be settled through conciliation. To this end, upon the agreement of both parties, the parties will establish an Arbitration Committee.

Article XVI

ISRAELI-PALESTINIAN COOPERATION CONCERNING REGIONAL PROGRAMS

Both parties view the multilateral working groups as an appropiate instrument to promote a "Marshall Plan", the regional programs and other programs, including special programs for the West Bank and Gaza Strip, as indicated in Annex IV.

Article XVII

MISCELLANEOUS PROVISIONS

1. This Declaration of Principles will enter into force one month after its ~~execution~~.

2. All protocols annexed to this Declaration of Principles and agreed minutes pertaining thereto shall be regarded as an integral part hereof.

ANNEX I

Protocol On The Mode And Conditions of Elections

1. Palestinians of Jerusalem who live there will have the right to participate in the election process, according to an agreement between the two sides.
2. In addition, the election agreement should cover, among other things, the following issues:
   a. [P: The participation of the displaced persons since 1967 in the elections.]
   b. The system of elections.
   c. The mode of the agreed supervision and international observation and their personal composition; and
   d. Rules and regulations regarding election campaign, including agreed arrangements for the organizing of mass media, and the possibility of licensing a broadcasting and TV station.

ANNEX II

THE GAZA STRIP AND THE JERICHO AREA

AGREED MINUTES TO THE

DECLARATION OF PRINCIPLES ON

INTERIM SELF-GOVERNMENT ARRANGEMENTS

A. GENERAL UNDERSTANDINGS AND AGREEMENTS

1. [I: In each paragraph of the Declaration of Principles in which the expression "West Bank and Gaza Strip" appears, it is understood as the areas currently subject to Israeli military government.]

2. [I: Any powers and responsibilities transferred to Palestinians pursuant to the Declaration of Principles prior to the inauguration of the Council will be subject to the same principles pertaining to Article IV, as set out in these Agreed Minutes below.]

3. [P: It is understood that jurisdiction of the "Council" will cover "all West Bank and Gaza Strip Land", except for issues that are agreed to be negotiated in the permanent status: Jerusalem, settlements, Israelis, military locations.]

4. [P: It is understood that jurisdiction of the "Council" will cover all infrastructure in the West Bank and Gaza Strip. The Interim-Agreement will include special arrangements that will apply in the transitional period for common uses of some items of infrastructure: regional roads, electricity, water carriers.]

5. [P: It is understood that special arrangements to be

agreed upon between the two sides regarding Palestinians of Jerusalem and their interests, Palestinian institutions.

B. SPECIFIC UNDERSTANDINGS AND AGREEMENTS

Article IV

[I: It is agreed that the Council's jurisdiction will exclude the following issues of permanent status: settlements, Jerusalem and security areas, in addition to Israelis; the Interim Agreement will include special arrangements that will apply to common infrastructure.

It is understood that the Council's jurisdiction will apply with regard to the agreed powers, responsibilities, spheres and authorities transferred to it.]

Article VI(2)

It is agreed that the transfer of authority will be as follows:

(1) The Palestinian side will inform the Israeli side of the names of Palestinians who will assume the powers, authorities and responsibilities that will be t transfered to the Palestinians according to the Declaration of Principles in the following fields education and culture, health, social welfare, direct taxation and tourism and any other authorities agreed upon.

(2) It is understood that the rights and obligations of these offices will not be affected.

(3) Each of the spheres described above will continue to enjoy existing budgetary allocations in accordance with arrangements to be mutually agreed upon. These arrangements also will provide for the necessary adjustments required in order to take into account the taxes collected by the direct taxation office.

(4) Upon the execution of the Declaration of Principles, the Israeli and Palestinian delegations will immediately commence negotiations on a detailed plan for the transfer of authority on the above offices in accordance with the above understandings.

Article VII

The Interim Agreement will also include arrangements for coordination and cooperation.

Article VIII

It is understood that Israel will continue to carry the responsibility for internal security and public order as specified in the principles pertaining to Article IV, as set out in these Agreed Minutes above, and that the Interim Agreement will include arrangements for cooperation and coordination between the two parties in this regard. It is also agreed that the transfer of powers and responsibilities to the Palestinian police will be accomplished in a phased manner, as agreed in the Interim Agreement.

Article X

It is agreed that, upon the entry into force of the Declaration of Principles, the Israeli and Palestinian delegations will exchange the names of the individuals designated by them as members of the Joint Israeli-Palestinian Liaison Committee.

It is further agreed that each side will have an equal number of members in the Joint Committee. The Joint Committee will reach decisions by agreement. ~~The Joint Committee may establish technical subcommittees as necessary~~. The joint committee may add other technicians and experts, as necessary. The Joint Committee will decide on the frequency and place or places of its meetings.

ANNEX III
Protocol On Palestinian-Israeli Cooperation
In Preparing a "Marshall Plan" For The
West Bank, The Gaza Strip and The Region

1. Israel and the Palestinians will cooperate in the context of the multilateral negotiations on ecconomic development in mutually promoting a "Marshall Plan" Initiative of the G 7 and other OECD member states as detailed below. The Israeli and Palestinian delegations to the multilateral negotiations on economic development will jointly request the G 7 and other OECD member states participating in the multilateral negotiations to commit themselves to prepare a "Marshall Plan" Initiative for the West Bank, the Gaza Strip and the Region. It is understood that substantial additional aid will be raised by the Palestinians from Arab states, as well as from existing all-Arab institutions.

2. The "Marshall-Plan" Initiative will consist of two elements:
   a) an Economic Development Program for the West Bank and and the Gaza Strip; and (see: A)
   b) a Regional Economic Development Programme. (see: B)

   A. The Economic Development Programme for the West Bank and the Gaza Strip

      Israel will support in the multilateral negotiations an Economic Development Programme for the West Bank and the Gaza Strip, which will be composed of the following three parts:
      (1) A Social Rehabilitation Programme;
      (2) A Small and Medium Business Development Plan, and
      (3) An Infrastructure Development Programme (water, electricity, transportation and communication, human resources, financial institutions, etc.)

   B. A Regional Economic Development Program

   Both parties will support a Regional Economic Development Program, consisting of the following pivotal developmental projects:

   (1) The establishment of a Middle East Development Fund (MEDF) and of a Midle East Bank for Reconstruction and Development (MEBRD).
   (2) The development of a joint Israeli-Palestinian-Jordanian Plan for coordinated exploitation of the Dead Sea area and the examination of the feasibility of constructing a Mediterranean Sea - Dead Sea Canal.

(3) Regional Desalination and Power Generating Plant.
(4) Interconnection of electricity grids.
(5) Regional cooperation for the transfer, distribution and industrial exploitation of gas, oil and other energy resources.
(6) A Regional Tourism and Transport Development Plan.
(7) Regional Cooperation in other spheres as mutually agreed upon.

D R A F T

ANNEX III

Protocol On Israeli-Palestinian Cooperation and Development Programs

The parties agree to develop jointly the following programs:

1. A Water Development Program prepared by Israeli and Palestinian water experts, which will also specify the mode of cooperation in the management of water resources in the Gaza Strip and the West Bank, and will include proposals for studies and plans on water rights of each party, as well as on the equitable utilization of joint water resources for implementation beyond the interim period.

2. An Electricity Development Program, which will also specify the mode of cooperation for the production, maintenance, purchase and sale of electricity resources.

3. An Israeli-Palestinian Energy Development Program, which will provide for the the exploitation of oil and gas for industrial purposes, particularly in the Gaza Strip and in the Negev, and will encourage further joint exploitation of other energy resources. These programs may also provide for the construction of oil and gas pipelines.

4. A Financial Development and Action Program for the encouragement of international investment in Israel, the West Bank and the Gaza Strip.

5. A Transport and Communications Development Program, which will define guidelines for the establishment of a Gaza Port Area and will provide for the establishing of communication lines to and from the Gaza Strip via Israel, and to and from Israel via the West Bank and the Gaza Strip, to other countries. In addition this program will provide for carrying out of the necessary construction of roads, railways, communications lines etc.

6. A Trade Promotion Program, which will encourage local, regional and inter-regional trade and will examine the possibilities of creating free tade zones in the Gaza Strip and in Israel, mutual access to these zones, and cooperation in other areas related to trade and commerce.

7. An Industrial Development Program, which will provide for the establishment of joint Israeli-Palestinian Industrial Research and Development Centers, will promote Palestinian-Israeli joint ventures and provide guidelines for cooperation in the textile, food, pharmaceutical, electronics, computer and science-based industries.

8. A program for cooperation in labor and in social welfare issues.

9. A Human Resources Development Plan, providing for joint Israeli-Palestinian workshops and seminars, and for the establishment of joint vocational training centers.

10. An Environmental Protection Plan.

11. Any other programs mutually agreed upon.

7. An Industrial Development Program, which will provide for the establishment of joint Israeli-Palestinian Industrial Research and Development Centers, will promote Palestinian-Israeli joint ventures and provide guidelines for cooperation in the textile, food, pharmaceutical, electronics, computer and science-based industries.

8. A program for cooperation in labor and in social welfare issues.

ANNEX IV

Protocol On Israeli-Palestinian Cooperation
Concerning Regional Development Programs

1. Israel and the Palestinians will cooperate in the context of the multilateral peace efforts in mutually promoting a Development Program for the region, including the West Bank and the Gaza Strip, to be initiated by the G-7. The parties will request the G-7 to seek the participation in this program of other interested states, such as members of the Organisation for Economic Cooperation and Development, regional Arab states and institutions, as well as members of the private sector.

2. The development program will consist of two elements:
a) a Regional Economic Development Program.
b) an Economic Development Program for the West Bank and and the Gaza Strip.

A. The Regional Economic Development Program will consist ~~of the~~ of the following elements:

(1) The establishment of a Middle East Development Fund as a first step, and a Midle East Developme Bank as a second step.
(2) The development of a joint Israeli-Palestinian-Jordanian Plan for coordinated exploitation of the Dead Sea area.
(3) Regional Desalinazation and ~~and~~ other water development projects.
(4) A regional plan for agricultural development including a coordinated regional effort for the prevention of desertisation.
(5) Interconnection of electricity grids.
(6) Regional cooperation for the transfer, distribution and industrial exploitation of gas, oil and other energy resources.
(7) A Regional Tourism, Transportation and Telecommunications Development Plan.
(8) Regional cooperation in other spheres, as mutually agreed upon.

B. The Economic Development Program for the West Bank and the Gaza Strip will consist of the following elements:
(1) A Housing and Construction Programme.
(2) A Small and Medium Business Development Plan.
(3) An Infrastructure Development Programme (water, electricity, transportation and communication, etc.)
(4) A Human Resources Plan.
(5) Other programs mutually agreed upon.

3. The two parties will coordinate there positions before each session of the various multilateral working groups. The two parties will encourage intersessional activities, as well as pre-feasibility and feasibility studies, within the various multilateral working groups.

3. The two parties will coordinate there positions before each session of the various multilateral working groups. The two parties will encourage intersessional activities, as well as pre-feasibility and feasibility studies, within the various multilateral working groups.

מסורג

29 יוני 1993

אל: שמעון פרס
ד"ר יוסי ביילין
אורי סביר
מאת: ד"ר יאיר הירשפלד, וד"ר רון פונדק

<u>דוח מפגישה באוסלו</u>

1. בין 25-28 יוני 1993 קיימנו סדרת פגישות עם משלחת אש"ף מתוניס, שכללה את הצוות הקבוע (אבו-עלא, ד"ר מאהר אל-כורד, וחסן עספור) שהגיע גם לפגישות הקודמות.

2. הסבב הנוכחי התחלק לשניים:
   א. שלוש פגישות בין המשלחת הפלסטינית לבין ד"ר יאיר הירשפלד וד"ר רון פונדק.
   ב. פגישה בין המשלחת הפלסטינית לבין יואל זינגר, ד"ר יאיר הירשפלד וד"ר רון פונדק.

3. סדרת הפגישות הראשונה נועדה בעיקר "לכבות את השריפה" שפרצה כתוצאה מדחיית הגעת הצד הישראלי. המשלחת מתוניס חשה פגועה והביעה זאת בצורה שאינה משתמעת לשני פנים. מסקנתם טרם הגעתנו היתה שהדחיה הינה חלק ממזימה ישראלית מתוכננת היטב שנועדה מחד ללחוץ עליהם באוסלו ובוושינגטון, ומאידך לבדוק אופציות אחרות כגון ערוץ סנה-שעת. הם סיפרו בין היתר שסנה ביקש לפגוש את אבו-מאזן, אך האחרון סירב מאחר ועמדתו היא שיש ערוץ יעיל אחד והוא אוסלו. אנו מצידינו הרגענו אותם והסברנו את הסיבות האובייקטיביות שגרמו לדחיה.
המשלחת הפלסטינית הבהירה שעבורם הערוץ הנורבגי הוא הערוץ היחיד החשוב ושבאמצעותו, אחרי הבנה שתושג, יקודמו השיחות בוושינגטון.

4. במהלך הפגישות הראשונות ניסינו לבדוק האם יש סיכוי שהם יקבלו בוושינגטון נוסח הצהרה אמריקאית דלילה שתגדיר את ההבנות אליהן הגיעו המשלחות עד עתה. תגובת אבו-עלא היתה שלילית. הוא הסביר שלדעת אש"ף

הסכמה כזאת תשרת רק את האינטרס הישראלי והאמריקני על חשבון האינטרס הפלסטיני. על פי אש"ף ינצלו הישראלים את ההצהרה הדיקה מתוכן בכדי לקדם את המשא ומתן עם ירדן וסוריה, והסוף יהיה שהפלסטינים יהיו נתונים ללחצים נוספים ללא שהשיגו דבר.

5. הפגישה הנוספת, בהשתתפות יואל זינגר, היתה חשובה ומועילה לא רק משום שהרגיעה סופית את חששותיהם של המשלחת הפלסטינית, אלא גם ואולי בעיקר מאחר והדיון עבר מהר מאד לפסים עניניים.

6. כפי שהוחלט טרם יציאתו של זינגר, לא נמסרה להם ההצעה המתוקנת של ה-DOP. עיקר השיחה נסוב סביב תשובות שהביאו הפלסטינים מערפאת (לשאלות שהציג זינגר בפגישה הקודמת); שאלות שהביאו מהנהגתם בעיקבות הפגישה הקודמת; והבהרות שנתן זינגר באשר לשוני בין המסמך המקורי לבין זה שיוצג בפניהם בפגישה הבאה.

7. להלן עיקרי דבריו של אבו-עלא (אשר החזיק בידו מסמך עם הערות בעט אדום בכתב ידו של ערפאת):

א. הערוץ הנורבגי איננו תחליף לשיחות וושינגטון אלא דרך לסייע ולקדם אותם. כל המאמצים צריכים לסייע לשיחות וושינגטון אלא אם נחליט יחדיו לפעול בצורה שונה. אש"ף לא יפעל באופן חד-צדדי נגד הערוץ הרשמי, אלא בתאום עם ישראל.

ב. ערפאת מעונין לעשות עם ישראל הסכם בטחון מיוחד לגבי עזה ויריחו. "כששאלתי את ערפאת לגבי הסכם בטחון עם ישראל, הוא אמר שזה הדבר החשוב ביותר".
באשר ליריחו הכוונה למובלעת רחבה מעבר לתחום העיר, שגבולה המזרחי נהר הירדן ובתוככה השליטה תהיה כמו בעזה.

ג. חזרת מנהיגי אש"ף לרצועת עזה ויריחו אינה תנאי מצד הפלסטינים. עם זאת לדעת אש"ף רק אנשיו יוכלו להבטיח בטחון באזור, ועל שני הצדדים להגיע להסכמה כיצד יכנסו האנשים לאזור.
ערפאת אמר שטבעי יהיה שגם הוא יחזור, אולם זה לא יהיה מתוך כפיה על ישראל.

ד. לדעת הנהגת אש"ף חשוב שברצועה יהיה כוח שיטור בינ"ל. על שני הצדדים להסכים על גודל והרכב הכוח. לדעתם מצרים תסכים לצרף כוחות לכוח וצריך שיהיו גם ירדנים. כוח זה יהיה תחת אחריות הפלסטינים, אך צריך להגיע יחד להחלטה באשר לתפקידיו.

ה. צריך להקים LIAISON COMMITTEE מייד לאחר החתימה על ה-DOP, בכדי לעקוב אחר הנושאים שיעלו.

ו. "אינני שמח שצריך יהיה לנסח מחדש את ה-DOP מאחר ועבדנו עליו קשה ונערכו אודותיו דיונים מפורטים אצלנו. אני חושש שזה עלול ליצור בעיות אצלנו ואינני יודע אילו בעיות. בכל מקרה נראה מה ניתן לעשות עם הדרישות שלכם."

ז. "בנושא ה-JURISDICTION, אני מכיר בעיה שהטכסט יוצר אצלכם ובעיה שיוצר אצלנו". " אצלנו מבינים שה-JURISDICTION יכסה את כל השטחים למעט הנושאים המוסכמים עליהם דיברנו" (ירושלים, התנחלויות, ואזורים צבאיים. מקובל עליו להוסיף לכך שטחים שמשמשים לשרותים).
"נצטרך למצוא דרך לפתור זאת" (יואל הציע לדחות את הדיון בנושא לסוף).

ח. ברור שירושלים לא תהיה ב-JURISDICTION הפלסטיני בתקופת הביניים, אך ירושלים היא דבר חשוב לשני הצדדים בעיקר בתקופת הביניים. מאמין שכאשר יתחיל התהליך תפתר הבעיה.

ט. יש אישור ברור מהנהגת אש"ף על עקרון ההדרגתיות שמופיע ב-DOP.

י. ברור שההסכם יאפשר לישראלים לחצות דרך מובלעת יריחו. "אנו מעוניינים ב-COEXISTENCE ושיתוף פעולה, אז כמובן שזה יכלול נמעבר חופשי".

יא. הכוונה היא לקיים בחירות לאחר תשעה חודשים. בנושא השתתפות תושבי ירושלים כנבחרים בבחירות, הפתרון הוא כתובת נוספת למועמדים.
הנציגים למועצה יבחרו בהליך דמוקרטי ולא ימונו. עם זאת מבינים שבמסגרת הסכם על עזה יהיה פתרון מי יקח את האחריות בין הנסיגה לבין הבחירות.

יב. בנושא הצוות הצבאיים, מבינים שכל החוקים שאינם תואמים את ה-DOP יבוטלו. על השאר ידונו ותהיה בחינה מחדש.
מבינים שכל הצוות הצבאיים ברצועת עזה יבוטלו עם הנסיגה ובמקומם יהיה הסכם בטחוני והסכם כלכלי מיוחד שיחליפו את הוראות הממשל הצבאי. מסכימים שחלק מההסכם על עזה יהיה סודי. מסכימים לדחות את הכנת ההסכם על הרצועה עד לאחר החתימה על ה-DOP. תלוי בישראל האם ההסכם על הרצועה יהיה בין ישראל לאש"ף, או בין ישראל למשלחת. בכל מקרה ברור לכולם שאין כוונה שרצועת עזה תהפוך למדינה עצמאית.

יג. ברור שבטחון המתנחלים יעשה על ידי צה"ל גם לאחר הנסיגה מהרצועה.

יד. באשר לשאלה האם לאחר הבחירות יוקם גוף אחד או שניים, הרי העמדה הפלסטינית היא שיוקמו שני גופים עם זאת ברור להם שהנוסח הנוכחי ב-DOP הוא עמום ולכן יכול לספק את שני הצדדים.

טו. בנושא ביטול האמנה הפלסטינית, ערפאת השיב שכשתהיה חוקה תבוטל האמנה. ערפאת אמר שהישראלים אינטלגנטים מספיק ועכבו אחר הצהרותיו בשנים האחרונות כולל הצהרתו (קאדוק) בפאריס, והחלטת המל"פ לאמץ את 242. ערפאת אינו מתנגד לעשות זאת, אך הזמן עתה אינו מתאים.

טז. ערפאת אמר שכמובן צריך יהיה לעדכן את האמריקאים באשר למסמך ההבנה שיהיה צמוד ל-DOP.
יז. מסכים שה-DOP יכנס לתוקפו חודש לאחר החתימה.

8. במהלך הפגישה הציג אבו עלא מספר שאלות עליהם ביקש התייחסות. על חלקן הגיב זינגר ובכל מקרה הובטח לחזור עם תשובות מסודרות בפגישה הבאה:
א. איך רואה ישראל את הפעלת המעברים בין יריחו לירדן, ובין רצועת עזה למצרים, לאחר נסיגת צהל ? אש"ף מציע שבמובלעת יריחו ישלטו הפלסטינים על הגשרים ונקודת הביקורת הישראלית תועבר מערבית ליריחו, ואילו בגבול בין רצועת עזה למצרים יופעלו פטרולים משותפים (ישראלים-פלסטינים) והמעברים יהיו באחריות הפלסטינים. בכל מקרה מסכים שהנושא יחכה עד לאחר החתימה על ה-DOP, וברור לו שנושא הגשרים יהיה שונה מהמעבר בסיני.
ב. כמה אנשים צריך לכלול כוח השיטור ברצועת עזה ? מוסכם שסוג הציוד והנשק יוסכם בין הצדדים.
האם תסכים ישראל שאנשי צש"פ (יחידות צבא פלסטיניות המסונפות לצבאות ערביים במצרים, ירדן, עיראק, ואחרות השוהות בסודאן אלג'יריה, תוניס, ותימן) יאומנו כשוטרים ויהוו חלק מהמשטרה ?
ג. איך יתבצע הקשר בין יריחו לרצועה מבחינת תנועת אנשים ? מסכים עם העקרון של חופש תנועה בין השטחים.
ד. מה עמדתנו לגבי מעמד ירושלים בתקופת הביניים בעיקר בכל הקשור לשימוש בשד"ת קלנדיה לתיירות, ובמעמד המוסדות הקיימים כגון בתי-החולים, בתי-ספר, וכו ? ברור לו שה-DOP לא יתייחס לירושלים בתקופת הביניים.
ה. האם כדאי שישראל תצהיר יחד עם חתימת ה-DOP על הפסקה מוחלטת של ההתנחלויות ועל אי הגדלת מספר המתנחלים ?
איך יירושם בטחון המתנחלים מחוץ להתנחלויות ? האם ימשיכו לשאת נשק ?
האם תירושם על ידי ישראל מדיניות שונה בתקופת הביניים לגבי "התנחלויות פוליטיות והתנחלויות בטחוניות" ? האם רק חלק יושארו או שזה נושא שלא יעלה כלל לדיון ?
למי ישלמו המתנחלים מיסים ?
מי ישפוט מתנחל שעשה פשע בעיר תחת שיפוט פלסטינית ?
ו. כיצד יפעלו ה-LIAISON COMMITTEES, איך יקבלו החלטות, כמה ועדות תקומנה, ובאיזה נושאים ?
מתי יוקמו ועדות התאום עם מצרים וירדן, מייד לאחר החתימה על ה-DOP או לאחר הקמת המועצה ? אולי ברצועה מייד לאחר הנסיגה.
ז. בנושא ה-JURISDICTION, האם ישנם אזורים נוספים, מעבר לאילו עליהם דיברנו, שיהיו מחוץ לסמכות הפלסטינית ?

מה לגבי אדמות מדינה למשל ?

ח. האם צריך ועדה משפטית מיוחדת שתדון על ביטול ובחינה מחדש של הצווים הצבאיים ?

ט. האם תסכים ישראל להוסיף תחומים נוספים (כגון: תרבות, איכות סביבה, תעשיה, שיכון ובניה, אנרגיה, חקלאות, תחבורה, תקשורת, עיריות, סחר מקומי), מעבר לחמש הסמכויות שעל פי ה-DOP ימסרו מייד לניהול פלסטיני. הדגיש שזאת בקשה ולא יתעורר ויכוח אם ישראל תסרב. הוסיף שמבין מדוע נסרב לחקלאות אך סבור שלמשל סביבה ועיריות לא יהוו בעיה.

9. הפגישות הסתיימו באוירה חיובית ביותר ובתחושת התקדמות מצד שני הצדדים. הפגישה הבאה נקבעה ל-4 יולי 1993.

DRAFT

ANNEX III
Protocol On Palestinian-Israeli Cooperation
In Preparing a "Marshall Plan" For The
West Bank, The Gaza Strip and The Region

1. Israel and the Palestinians will cooperate in the context of the multilateral negotiations on ecconomic development in mutually promoting a "Marshall Plan" Initiative of the G 7 and other OECD member states as detailed below. The Israeli and Palestinian delegations to the multilateral negotiations on economic development will jointly request the G 7 and other OECD member states participating in the multilateral negotiations to commit themselves to prepare a "Marshall Plan" Initiative for the West Bank, the Gaza Strip and the Region. It is understood that substantial additional aid will be raised by the Palestinians from Arab states, as well as from existing all-Arab institutions.

2. The "Marshall-Plan" Initiative will consist of two elements:
   a) an Economic Development Program for the West Bank and and the Gaza Strip; and (see: A)
   b) a Regional Economic Development Programme. (see: B)

   A. The Economic Development Programme for the West Bank and the Gaza Strip

      Israel will support in the multilateral negotiations an Economic Development Programme for the West Bank and the Gaza Strip, which will be composed of the following three parts:
      (1) A Social Rehabilitation Programme;
      (2) A Small and Medium Business Development Plan, and
      (3) An Infrastructure Development Programme (water, electricity, transportation and communication, human resources, financial institutions, etc.)

   B. A Regional Economic Development Program

   Both parties will support a Regional Economic Development Program, consisting of the following pivotal developmental projects:

   (1) The establishment of a Middle East Development Fund (MEDF) and of a Midle East Bank for Reconstruction and Development (MEBRD).
   (2) The development of a joint Israeli-Palestinian-Jordanian Plan for coordinated exploitation of the Dead Sea area and the examination of the feasibility of constructing a Mediterranean Sea - Dead Sea Canal.

(3) Regional Desalination and Power Generating Plant.
(4) Interconnection of electricity grids.
(5) Regional cooperation for the transfer, distribution and industrial exploitation of gas, oil and other energy resources.
(6) A Regional Tourism and Transport Development Plan.
(7) Regional Cooperation in other spheres as mutually agreed upon.

אל: שמעון פרס
ד"ר יוסי ביילין
אורי סביר
מאת: ד"ר יאיר הירשפלד, וד"ר רון פונדק

<u>דוח מפגישה באוסלו</u>

1. בין 25-28 יוני 1993 קיימנו סדרת פגישות עם משלחת אש"ף מתוניס, שכללה את הצוות הקבוע (אבו-עלא, ד"ר מאהר אל-כורד, וחסן עספור) שהגיע גם לפגישות הקודמות.

2. הסבב הנוכחי התחלק לשניים:
   א. שלוש פגישות בין המשלחת הפלסטינית לבין ד"ר יאיר הירשפלד וד"ר רון פונדק.
   ב. פגישה בין המשלחת הפלסטינית לבין יואל זינגר, ד"ר יאיר הירשפלד וד"ר רון פונדק.

3. סדרת הפגישות הראשונה נועדה בעיקר "לכבות את השריפה" שפרצה כתוצאה מדחיית הגעת הצד הישראלי. המשלחת מתוניס חשה פגועה והביעה זאת בצורה שאינה משתמעת לשני פנים. מסקנתם טרם הגעתנו היתה שהדחיה הינה חלק ממזימה ישראלית מתוכננת היטב שנועדה מחד ללחוץ עליהם באוסלו ובוושינגטון, ומאידך לבדוק אופציות אחרות כגון ערוץ סנה-שעת. הם סיפרו בין היתר שסנה ביקש לפגוש את אבו-מאזן, אך האחרון סירב מאחר ועמדתו היא שיש ערוץ יעיל אחד והוא אוסלו. אנו מצידינו הרגענו אותם והסברנו את הסיבות האוביקטיביות שגרמו לדחיה.
המשלחת הפלסטינית הבהירה שעבורם הערוץ הנורבגי הוא הערוץ היחיד החשוב ושבאמצעותו, אחרי הבנה שתושג, יקודמו השיחות בוושינגטון.

4. במהלך הפגישות הראשונות ניסינו לבדוק האם יש סיכוי שהם יקבלו בוושינגטון נוסח הצהרה אמריקאית דלילה שתגדיר את ההבנות אליהן הגיעו המשלחות עד עתה. תגובת אבו-עלא היתה שלילית. הוא הסביר שלדעת אש"ף

הסכמה כזאת תשרת רק את האינטרס הישראלי והאמריקני על חשבון האינטרס הפלסטיני. על פי אש"ף ינצלו הישראלים את ההצהרה הריקה מתוכן בכדי לקדם את המשא ומתן עם ירדן וסוריה, והסוף יהיה שהפלסטינים יהיו נתונים ללחצים נוספים ללא שהשיגו דבר.

5. הפגישה הנוספת, בהשתתפות יואל זינגר, היתה חשובה ומועילה לא רק משום שהרגיעה סופית את חששותיהם של המשלחת הפלסטינית, אלא גם ואולי בעיקר מאחר והדיון עבר מהר מאד לפסים עניניים.

6. כפי שהוחלט טרם יציאתו של זינגר, לא נמסרה להם ההצעה המתוקנת של ה-DOP. עיקר השיחה נסוב סביב תשובות שהביאו הפלסטינים מערפאת (לשאלות שהציג זינגר בפגישה הקודמת); שאלות שהביאו מהנהגתם בעיקבות הפגישה הקודמת; והבהרות שנתן זינגר באשר לשוני בין המסמך המקורי לבין זה שיוצג בפניהם בפגישה הבאה.

7. להלן עיקרי דבריו של אבו-עלא (אשר החזיק בידו מסמך עם הערות בעט אדום בכתב ידו של ערפאת):

א. הערוץ הנורבגי איננו תחליף לשיחות וושינגטון אלא דרך לסייע ולקדם אותם. כל המאמצים צריכים לסייע לשיחות וושינגטון אלא אם נחליט יחדיו לפעול בצורה שונה. אש"ף לא יפעל באופן חד-צדדי נגד הערוץ הרשמי, אלא בתאום עם ישראל.

ב. ערפאת מעונין לעשות עם ישראל הסכם בטחון מיוחד לגבי עזה ויריחו. "כששאלתי את ערפאת לגבי הסכם בטחון עם ישראל, הוא אמר שזה הדבר החשוב ביותר".
באשר ליריחו הכוונה למובלעת רחבה מעבר לתחום העיר, שגבולה המזרחי נהר הירדן ובתוככה השליטה תהיה כמו בעזה.

ג. חזרת מנהיגי אש"ף לרצועת עזה ויריחו אינה תנאי מצד הפלסטינים. עם זאת לדעת אש"ף רק אנשיו יוכלו להבטיח בטחון באזור, ועל שני הצדדים להגיע להסכמה כיצד יכנסו האנשים לאזור.
ערפאת אמר שטבעי יהיה שגם הוא יחזור, אולם זה לא יהיה מתוך כפיה על ישראל.

ד. לדעת הנהגת אש"ף חשוב שברצועה יהיה כוח שיטור בינ"ל. על שני הצדדים להסכים על גודל והרכב הכוח. לדעתם מצרים תסכים לצרף כוחות לכוח וצריך שיהיו גם ירדנים. כוח זה יהיה תחת אחריות הפלסטינים, אך צריך להגיע יחד להחלטה באשר לתפקידיו.

ה. צריך להקים LIAISON COMMITTEE מייד לאחר החתימה על ה-DOP, בכדי לעקוב אחר הנושאים שיעלו.

ו. "אינני שמח שצריך יהיה לנסח מחדש את ה-DOP מאחר ועבדנו עליו קשה ונערכו אודותיו דיונים מפורטים אצלנו. אני חושש שזה עלול ליצור בעיות אצלנו ואינני יודע אילו בעיות. בכל מקרה נראה מה ניתן לעשות עם הדרישות שלכם."

ז. "בנושא ה-JURISDICTION, אני מכיר בעיה שהטכסט יוצר אצלכם ובעיה שיוצר אצלנו". " אצלנו מבינים שה-JURISDICTION יכסה את כל השטחים למעט הנושאים המוסכמים עליהם דיברנו" (ירושלים, התנחלויות, ואזורים צבאיים. מקובל עליו להוסיף לכך שטחים שמשמשים לשרותים).
"נצטרך למצוא דרך לפתור זאת" (יואל הציע לדחות את הדיון בנושא לסוף).

ח. ברור שירושלים לא תהיה ב-JURISDICTION הפלסטיני בתקופת הביניים, אך ירושלים הינה דבר חשוב לשני הצדדים בעיקר בתקופת הביניים. מאמין שכאשר יתחיל התהליך תפתר הבעיה.

ט. יש אישור ברור מהנהגת אש"ף על עקרון ההדרגתיות שמופיע ב-DOP.

י. ברור שההסכם יאפשר לישראלים לחצות דרך מובלעת יריחו. "אנו מעוניינים ב-COEXISTENCE ושיתוף פעולה, אז כמובן שזה יכלול נמעבר חופשי".

יא. הכוונה היא לקיים בחירות לאחר תשעה חודשים. בנושא השתתפות תושבי ירושלים כנבחרים בבחירות, הפתרון הוא כתובת נוספת למועמדים.
הנציגים למועצה יבחרו בהליך דמוקרטי ולא ימונו. עם זאת מבינים שבמסגרת הסכם על עזה יהיה פתרון מי יקח את האחריות בין הנסיגה לבין הבחירות.

יב. בנושא הצוות הצבאיים, מבינים שכל החוקים שאינם תואמים את ה-DOP יבוטלו. על השאר ידונו ותהיה בחינה מחדש.
מבינים שכל הצוות הצבאיים ברצועת עזה יבוטלו עם הנסיגה ובמקומם יהיה הסכם בטחוני והסכם כלכלי מיוחד שיחליפו את הוראות הממשל הצבאי. מסכימים שחלק מההסכם על עזה יהיה סודי. מסכימים לדחות את הכנת ההסכם על הרצועה עד לאחר החתימה על ה-DOP. תלוי בישראל האם ההסכם על הרצועה יהיה בין ישראל לאש"ף, או בין ישראל למשלחת. בכל מקרה ברור לכולם שאין כוונה שרצועת עזה תהפוך למדינה עצמאית.

יג. ברור שבטחון המתנחלים יעשה על ידי צה"ל גם לאחר הנסיגה מהרצועה.

יד. באשר לשאלה האם לאחר הבחירות יוקם גוף אחד או שניים, הרי העמדה הפלסטינית היא שיוקמו שני גופים עם זאת ברור להם שהנוסח הנוכחי ב-DOP הוא עמום ולכן יכול לספק את שני הצדדים.

טו. בנושא ביטול האמנה הפלסטינית, ערפאת השיב שכשתהיה חוקה תבוטל האמנה. ערפאת אמר שהישראלים אינטלגנטים מספיק ועכבר אחר הצהרותיו בשנים האחרונות כולל הצהרתו (קאדוק) בפאריס, והחלטת המל"פ לאמץ את 242. ערפאת אינו מתנגד לעשות זאת, אך הזמן עתה אינו מתאים.

טז. ערפאת אמר שכמובן צריך יהיה לעדכן את האמריקאים באשר למסמך ההבנה שיהיה צמוד ל-DOP.

יז. מסכים שה-DOP יכנס לתוקפו חודש לאחר החתימה.

8. במהלך הפגישה הציג אבו עלא מספר שאלות עליהם ביקש התייחסות. על חלקן הגיב זינגר ובכל מקרה הובטח לחזור עם תשובות מסודרות בפגישה הבאה:

א. איך רואה ישראל את הפעלת המעברים בין יריחו לירדן, ובין רצועת עזה למצרים, לאחר נסיגת צהל ? אש"ף מציע שבמובלעת יריחו ישלטו הפלסטינים על הגשרים ונקודת הביקורת הישראלית תועבר מערבית ליריחו, ואילו בגבול בין רצועת עזה למצרים יופעלו פטרולים משותפים (ישראלים-פלסטינים) והמעברים יהיו באחריות הפלסטינים. בכל מקרה מסכים שהנושא יחכה עד לאחר החתימה על ה-DOP, וברור לו שנושא הגשרים יהיה שונה מהמעבר בסיני.

ב. כמה אנשים צריך לכלול כוח השיטור ברצועת עזה ? מוסכם שסוג הציוד והנשק יוסכם בין הצדדים.
האם תסכים ישראל שאנשי צש"פ (יחידות צבא פלסטיניות המסונפות לצבאות ערביים במצרים, ירדן, עיראק, ואחרות השוהות בסודאן אלג'יריה, תוניס, ותימן) יאומנו כשוטרים ויהוו חלק מהמשטרה ?

ג. איך יתבצע הקשר בין יריחו לרצועה מבחינת תנועת אנשים ? מסכים עם העקרון של חופש תנועה בין השטחים.

ד. מה עמדתנו לגבי מעמד ירושלים בתקופת הביניים בעיקר בכל הקשור לשימוש בשד"ת קלנדיה לתיירות, ובמעמד המוסדות הקיימים כגון בתי-החולים, בתי-ספר, וכו ? ברור לו שה-DOP לא יתייחס לירושלים בתקופת הביניים.

ה. האם כדאי שישראל תצהיר יחד עם חתימת ה-DOP על הפסקה מוחלטת של ההתנחלויות ועל אי הגדלת מספר המתנחלים ?
איך יירושם בטחון המתנחלים מחוץ להתנחלויות ? האם ימשיכו לשאת נשק ?
האם תירושם על ידי ישראל מדיניות שונה בתקופת הביניים לגבי "התנחלויות פוליטיות והתנחלויות בטחוניות" ? האם רק חלק יושארו או שזה נושא שלא יעלה כלל לדיון ?
למי ישלמו המתנחלים מיסים ?
מי ישפוט מתנחל שעשה פשע בעיר תחת שיפוט פלסטינית ?

ו. כיצד יפעלו ה-LIAISON COMMITTEES, איך יקבלו החלטות, כמה ועדות תקומנה, ובאיזה נושאים ?
מתי יוקמו ועדות התאום עם מצרים וירדן, מייד לאחר החתימה על ה-DOP או לאחר הקמת המועצה ? אולי ברצועה מייד לאחר הנסיגה.

ז. בנושא ה-JURISDICTION, האם ישנם אזורים נוספים, מעבר לאילו עליהם דיברנו, שיהיו מחוץ לסמכות הפלסטינית ?

מה לגבי אדמות מדינה למשל ?

ח. האם צריך ועדה משפטית מיוחדת שתדון על ביטול ובחינה מחדש של הצווים הצבאיים ?

ט. האם תסכים ישראל להוסיף תחומים נוספים (כגון: תרבות, איכות סביבה, תעשיה, שיכון ובניה, אנרגיה, חקלאות, תחבורה, תקשורת, עיריות, סחר מקומי), מעבר לחמש הסמכויות שעל פי ה-DOP ימסרו מייד לניהול פלסטיני. הדגיש שזאת בקשה ולא יתעורר ויכוח אם ישראל תסרב. הוסיף שמבין מדוע נסרב לחקלאות אך סבור שלמשל סביבה ועיריות לא יהוו בעיה.

9. הפגישות הסתיימו באוירה חיובית ביותר ובתחושת התקדמות מצד שני הצדדים. הפגישה הבאה נקבעה ל-4 יולי 1993.

Draft of June 24, 1993

AGREED MINUTES TO THE DECLARATION OF PRINCIPLES ON INTERIM SELF-GOVERNMENT ARRANGEMENTS

A. GENERAL UNDERSTANDINGS AND AGREEMENTS

1. In each paragraph of the Declaration of Principles in which the expression "West Bank and Gaza Strip" appears, it is understood as the areas currently subject to Israeli military government.

2. Any powers and responsibilities transferred to Palestinians pursuant to the Declaration of Principles prior to the inauguration of the Council will be subject to the same limitation detailed in this Agreed Minutes pertaining to Article IV as set out below.

B. SPECIFIC UNDERSTANDINGS AND AGREEMENTS

Article I(2)

It is understood that the interim arrangements are an integral part of the whole peace process leading to the implementation of Security Council Resolutions 242 and 338.

Article IV

It is agreed that the jurisdiction of the Council will neither extend to the Israel Defense Forces and its installations and areas of deployment nor to Israeli settlements and residents.

Article VI(2)

It is agreed that the transfer of authorities will be as follows:

(1) The Palestinian delegation will ~~provide to~~ the Israeli delegation the names of Palestinian individuals from the West Bank and Gaza Strip designated to replace the Israeli officials currently heading the offices of education, health, social welfare, direct taxation and tourism within the civil administrations in the West Bank and the Gaza Strip and such other Israeli officials who are employed within these offices.

(2) Except as provided in paragraph (3) below, upon their appointment, the Palestinians referred to in paragraph (1) above will be assigned and will exercise all of those powers and responsibilities, and only those powers and responsibilities, currently exercised by the Israeli officials to be replaced.

(3) With regard to the office of education, all powers and responsibilities will be transferred, except for those related to the administration and maintenance of antiquities.

(4) Subsequent to the transfer of authorities described above, each such office will continue to ~~function within~~ its existing budgetary ~~framework~~. Existing arrangements with other offices of the Civil Administration or with the Government of Israel will not be affected, unless otherwise agreed. Existing legal obligations will not be affected.

(5) The Civil Administration will ~~allocate~~ to each of the offices described above the relevant portion of the overall budget in accordance with detailed arrangements to be mutually agreed upon. These arrangements also will

provide for the necessary adjustments required in order to take into account the taxes collected by the direct taxation office.

(6) Upon the execution of the Declaration of Principles, the Israeli and Palestinian delegations will immediately commence negotiations on a detailed plan for the implementation of the above understandings and any required supplements.

(7) The Palestinians appointed to head the above-mentioned offices, and any additional office of the Civil Administration to be subsequently transferred, will maintain close coordination and liaison with the Civil Administration on the one hand and the Government of Israel on the other hand through the Israeli-Palestinian Liaison Committee to be established under Article XI of the Declaration of Principles.

Article VIII

It is agreed that the institutions referred to in Article VIII, paragraph (1), will have only those powers and responsibilities assigned to them under the Interim Agreement or as provided for under the agreements to be concluded pursuant to Article VIII(2).

Article IX

In line with the Section A.2 of these Agreed Minutes, it is understood that Israel will continue to ~~be~~ responsible for the internal security and public order of Israeli civilians and soldiers, as well as settlements and security areas. It is agreed that the transfer of powers and responsibilities in the sphere of internal security to the Palestinian police will be accomplished in a phased manner commensurate with the development of its capabilities. To this end, the Interim Agreement will include a plan for the gradual transfer of powers

and responsibilities. The Interim Agreement also will include detailed arrangements for cooperation and coordination between the two parties in discharging their respective powers and responsibilities in the area of internal security and public order, together with reasonable limitations on the size, armament and mode of operation of the Palestinian police, intended to guarantee that it would perform only normal police functions.

Article X(1)

It is understood that the mutual agreement also will include a mechanism for mutual confirmation concerning compatibility with the Interim Agreement.

Article XI

It is agreed that upon the entry into force of the Declaration of Principles, the Israeli and Palestinian delegations will exchange the names of the individuals designated by them as members of the Joint Israeli-Palestinian Liaison Committee. ~~The Palestinian members will be residents of the West Bank and Gaza~~.

It is further agreed that each side will have an equal number of members in the Joint Committee. The Joint Committee may establish technical subcommittees as necessary. The Joint Committee will decide on the frequency and place or places of its meetings.

Article XIV (4)

It is understood that the Israeli withdrawal will not change the status of the Gaza Strip and that both Israel and the Council will retain the same position in the Gaza Strip as in the West Bank. Thus, Israel will ~~continue to~~ be responsible for external security and for internal security and public order of Israelis. To this end, Israel intends to redeploy its

military forces in the Gaza Strip along the international boundary with Egypt, inside the Israeli settlements and in places outside populated areas, such as along the border between the Gaza Strip and Israel.

It is further understood that the Israeli withdrawal from the Gaza Strip may require that the responsibility of the Palestinian police for internal security in the Gaza Strip will be larger than in the West Bank. In addition, Israel may want to transfer to the Council more powers and responsibilities relating to the Gaza Strip than those relating to the West Bank. To this end, prior to the Israeli withdrawal, the parties will negotiate and conclude an agreement that ~~also~~ will provide for an economic stabilizing program for the Gaza Strip.

It is understood that the withdrawal from the Gaza Strip will not in any way prejudice the implementation of the agreed principles in the Declaration of Principles pertaining to the West Bank.

Article XIV (5)

[Note: If Israel accepts the Palestinian proposal regarding withdrawal from Jericho, a statement that no change of status will occur, using language similar to the one regarding Gaza, will be included here.]

Done at Washington, D.C., this ____ day of _____, 1993.

For the Government of Israel **For the Palestinians**
